6. PUBLIC QUESTION PERIOD - 15 Minute Limit

Jonathan Giggs, Resident spoke to item 8.3 and requested further clarification on the number of planned cycling infrastructure projects that had been cancelled due to concerns regarding traffic capacity. Mr. Giggs noted that staff could answer his question during the discussion of item 8.3.

Natalie Halff, Resident spoke to item 5.2 and enquired about the status of the investigation for the cyclist fatality on July 20, 2020, which was not included in the data. Sergeant Garry Rawlinson, Peel Regional Police advised that the fatality was investigated and the collision was reclassified as a pedestrian fatality as the person was not on their bicycle at the time of the collision.

Glenn Voakes, Resident spoke to item 8.3 and enquired about the City's plan to complete the proposed projects in the COVID-19 Recovery Framework since some of the projects had been cancelled. Fred Sandoval, Active Transportation Coordinator advised that the memorandum provided an update on the implementation of the recommended bicycle lanes outlined in the framework report and that the City would continue to seek consultation on the planning that was still underway.

Dorothy Tomiuk, Resident spoke to item 8.4 and enquired about the status of the ICIP projects and further enquired if applications to both the ICIP and the new National AT Fund, and any other grant opportunities could be tracked in an ongoing chart format. Robert Leuschner, Citizen Member recommended that Active Transportation staff be requested to create a chart to track the status of grant funding.

RECOMMENDATION MCAC-0023-2021

Moved By R. Leuschner

That Active Transportation staff be requested to create a chart to track the status of grant funding to be brought back to a future Mississauga Cycling Advisory Committee meeting.

Approved
