17.2 To call on the Federal government to create a national urban cycling infrastructure fund as part of a COVID-19 economic stimulus package (Councillor Fonseca, Ward 3)

Councillor Fonseca briefly spoke to the reason for the motion noting she will advocate motion at FCM (Federation of Canadian Municipalities).

RESOLUTION 0263-2020

Moved By Councillor C. Fonseca

Seconded By Councillor K. Ras

WHEREAS Mississauga Council approved the City's Cycling Master Plan in July 2018;

AND WHEREAS the Cycling Master Plan envisions a safe, connected, convenient and comfortable bicycle network to be built out over a 27 year time frame;

AND WHEREAS the City of Mississauga has adopted Vision Zero, and has established a Vision Zero framework through its Transportation Master Plan;

AND WHEREAS the City of Mississauga approved the Climate Change Action Plan in December 2019, which identifies low emissions mobility (e.g., cycling) as a key pathway to reducing greenhouse gas emissions 80% by 2050

AND WHEREAS the City has made significant progress in adding new links and connections to the cycling network in the past year, by constructing 15 kilometres of new infrastructure in 2019;

AND WHEREAS the total estimated value of the ultimate cycling network identified in the Cycling Master Plan is \$267 Million, and funding through an economic stimulus package would accelerate the City's implementation;

AND WHEREAS in response to the COVID-19 crisis, the City installed temporary bicycle lanes in several locations across the City, to provide residents with transportation and recreational options while maintaining physical distancing;

AND WHEREAS on July 8, 2020, Mississauga Council approved the Active Transportation COVID-19 Recovery Framework, the City's strategic response to the impact of COVID on the mobility of residents, which will see 18 kilometres of on-road bicycle lanes installed by the end of the year;

AND WHEREAS when the country begins its recovery from the COVID-19 pandemic, government stimulus spending will play a critical role in helping the economy to recover;

AND WHEREAS cycling infrastructure projects can typically commence with shorter lead times;

AND WHEREAS construction of cycling infrastructure often involves the modification of existing roads, and involves a variety of trades and industries;

AND WHEREAS the City of Mississauga is the 6th largest city in Canada and can lead by example by being a role model and champion for supporting active transportation as a key element in building sustainable and liveable communities;

THEREFORE BE IT RESOLVED THAT:

1. The Mayor on behalf of the City of Mississauga write a letter to the Federal Government supporting the creation of a national urban cycling infrastructure fund of

at least \$265 million as part of a COVID-19 economic stimulus package to be distributed over the next two years to Canadian cities;

2. The City support the Federal Government's recent announcement to establish a National Active Transportation Strategy, and advocate for the inclusion of longer term sustainable funding to implement active transportation infrastructure and programs;
3. The City of Mississauga bring forward this matter for discussion at the forthcoming conferences of the Association of Municipalities of Ontario and the Federation of Canadian Municipalities; and
4. This Resolution and the letter to the Federal Government be shared with the Region of Peel and neighbouring GTHA municipalities as an encouragement towards a collaborative advocacy to the Federal Government for a national urban cycling infrastructure stimulus fund.

- 17.3 That City Council require further modification of the eastern boundary of the proposed NAI corridor to the west side of Highway 407; and a letter be sent from the Mayor on behalf of the Council of the City of Mississauga (Councillor Saito, Ward 9)

RESOLUTION 0258-2020

Moved By Councillor K. Ras

Seconded By Councillor S. Dasko

WHEREAS the Ministry of Energy Northern Development and Mines (ENDM) and Independent Electricity System Operator (IESO) have initiated a joint study to identify lands to be protected for a future transmission corridor to ensure longer-term electricity needs can be accommodated in Peel and Halton Regions;

AND WHEREAS the guiding principles in determining the corridor boundary, termed the Narrowed Area of Interest (NAI), include minimizing impacts to natural heritage, agricultural and hydrological features and impacts on built-up areas;

AND WHEREAS the proposed NAI corridor boundary from April 2020 encompasses lands from Trafalgar Road to Winston Churchill Blvd/Hydro Transmission Corridor and from Steeles Avenue to the CP Rail line;

AND WHEREAS City staff submitted comments on June 5, 2020 to the ENDM expressing concerns on the location of the NAI corridor and impacts to future development of lands within the City of Mississauga;

AND WHEREAS a revised map of the NAI corridor was submitted to the City on July 6, 2020 that reduced the overall boundary which included removing lands on the eastern side within the Meadowvale Business Park Corporate Centre;

AND WHEREAS the revised NAI boundary continues to include lands on the west side of Ninth Line, north of the CP Rail line and lands on the east side of Ninth Line, north of the Garry Morden Fire Training Centre south of Highway 401 over to Tenth Line;

AND WHEREAS the revised boundary continues to include lands designated and zoned for parks and open space and employment uses;

AND WHEREAS the City owns lands on the west side of Ninth Line, Park-452 in Ward 9, that are intended for park and community services uses;

AND WHEREAS this year the City will begin preliminary planning for the function and design of Park-452;

AND WHEREAS a designated heritage property at 7420 Ninth Line is located within the proposed NAI corridor;

AND WHEREAS the future extension of Argentia Road into the Town of Milton is within the proposed NAI corridor;

THEREFORE IT BE RESOLVED:

1. That City Council require further modification of the eastern boundary of the proposed NAI corridor to the west side of Highway 407;
2. A letter be sent from the Mayor on behalf of the Council of the City of Mississauga to the Minister of Energy Northern Development and Mines (ENDM), the Independent Electricity System Operator (IESO), local MPP's and the Director of Transmission Planning at ENDM detailing the City's concerns regarding the NWGTA Transmission Corridor revised NAI corridor boundary from July 6, 2020 continuing to include city-owned lands for park and recreational uses and viable business employment lands, among other matters.
