Motion to Advance Reconciliation by Advocating for an Amendment to the National Anthem

Moved: Mayor Crombie

Seconded:

WHEREAS Canadian singer and song-writer Jully Black sang a version of Canada's National Anthem at the NBA All-Star game which highlighted the truth of the history of Canada;

WHEREAS that wording represented a change in a single word of the anthem that had a ripple effect across the country;

WHEREAS this change to the anthem was hailed by Indigenous Peoples across Canada as an Act of Reconciliation and a speaking of the truth;

WHEREAS the changed words to the anthem advance the cause of Reconciliation nationally as it reflects the truth of our Nation;

THEREFORE BE IT RESOLVED THAT:

1. The City of Mississauga write a letter calling upon the Federal Government to formally adopt the change from 'our home **and** native land' to 'our home **on** native land' to reflect the spirit and intent of the Treaties which allowed for the creation of the City of Mississauga and all of Canada.
2. The City of Mississauga share a copy of this motion with the Ontario Big City Mayors and the Minister of Indigenous Affairs, and encourage cities across the province and the provincial government to also call for this change.
3. Furthermore, that the new wording represents a truth which is critical to the understanding of present-day Canada and that such a change is consistent with the Federal Government's commitment to Reconciliation.

Bonnie Crombie, Mayor

Motion - May 31, 2023

Moved by: Councillor Parrish
Seconded by: Councillor Butt

Whereas the Hazel McCallion Act was introduced by the Province May 18, 2023 to set the stage for the dissolution of the Region of Peel by January 1, 2025; and

Whereas the Region of Peel currently employs 5,063 full time staff - excluding Police Services - who will be affected by that dissolution; and

Whereas the Provincial Government, through investing in Volkswagon EV and Stallantis, clearly understands that 5,500 jobs created through that investment will be important economic drivers for the surrounding communities; and

Whereas the result of the separation of the three municipalities of Brampton, Caledon and Mississauga has created serious uncertainty for Region of Peel employees in difficult economic times; and

Whereas many of the employees impacted by the Hazel McCallion Act are residents of Brampton, Caledon and Mississauga and their future is a huge concern for the three municipalities; and

Whereas a Transition Board will be appointed by the Province to facilitate and make recommendations regarding: the employment of these staff, the disbursement of programs and departments to municipalities, the services that will continue to be shared by the three municipalities and the financial rationalizations between the municipalities; and

Whereas “the unknown” is incredibly stressful for current staff employed by the Region of Peel as well as their families as they make every day decisions such as the renewal of mortgages, children going to university and other financially dependent life decisions;

THEREFORE BE IT RESOLVED:

The Province be requested to establish the Transition Board with all urgency and establish a work plan that makes obvious decisions quickly, to ease concerns for Peel Regional staff; and further

The Transition Board be tasked with making the future employment of the current workforce of the Peel Region a priority regarding job security- separating out known services that will be transferred to the municipalities from others that will likely continue to operate on a shared service basis; and further

The City of Mississauga agrees to establish a guiding principle that all positions that become vacant in the organization be assessed by the Leadership Team and only filled permanently if

the position is deemed critical or not impacted by the dissolution of the Region of the Peel; and further

That additional recruiting processes be established as deemed necessary throughout this transition, with the objective of accumulating a significant number of positions that will be first advertised to those Regional employees that the Transition Board have clearly declared as no longer having positions associated with the Region of Peel as of January 1, 2025; and further

That a copy of this motion be sent by the Clerk to the City of Brampton and Town of Caledon with a request that they adopt the same principle and processes and that this motion be shared with the Region of Peel for information.

Motion to Establish a Council-to-Council Meeting between the City of Mississauga Council and Leadership of the Mississaugas of the Credit First Nation

Moved: Mayor Crombie

Seconded:

WHEREAS the City of Mississauga and the Mississaugas of the Credit First Nation share a friendship and long standing relationship that we are committed to fostering;

WHEREAS that friendship and relationship is tied to the history and identity and linked to the lands which make up the present-day City;

WHEREAS the City has committed to make Reconciliation a priority and has invested in this work and in our relationship with the Mississaugas of the Credit;

WHEREAS Whereas the City has an opportunity to strengthen this relationship with a Council-to-Council meeting to share and discuss issues which affect each community;

THEREFORE BE IT RESOLVED THAT:

1. The City of Mississauga invite the Council and leadership of the Mississaugas of the Credit First Nation to a Council-to-Council working meeting hosted at the City of Mississauga with the intent of discussing shared issues and strengthening our relationship.
2. City staff are directed to find a time convenience with both Councils and make all necessary arrangements.
