Renaming of Central Library (Ward 4)

Recommendation

1. That the Central Library be dedicated in honour of Hazel McCallion and renamed the Hazel McCallion Central Library as recommended in Resolution 0340-2020 on October 28, 2020 through a motion of Council and as outlined in the report titled 'Renaming of Central Library (Ward 4)' dated November 4, 2020 from the Commissioner of Community Services.
2. That Council waive the following requirements as outlined in the City's "Property and Facility Naming and Dedications" Corporate Policy 05-02-02":
 - a) The requirement to submit the request to General Committee for first approval.
 - b) That an individual be honoured posthumously.
 - c) The requirement for a 30-day consideration period prior to approval.

Background

In accordance with the City's 'Property and Facility Naming and Dedication' Corporate Policy 05-02-02, the Community Services Department is directed to present names for Council's consideration for the purposes of facilities, parks and trails in the City of Mississauga. In accordance with the policy, Council is requested to circulate information on the naming request to all residents and groups within a 400 metre radius of the facility and provide a 30 period for public input, after which the Committee is asked to make a final recommendation to Council. This report seeks relief from the 30 day consideration period in recognition of the fact that the motion was initiated by Council and to ensure that there is sufficient time to ensure the dedication can be undertaken on Hazel McCallion's 100th birthday on February 14, 2021.

The Central Library building is a designated heritage property. For heritage listed properties, the Heritage Advisory Council is required to be notified of the renaming. The renaming will be presented for information at the January 12, 2021 Heritage Advisory Committee meeting.

Council	2020/11/25	11.1 2
---------	------------	-----------

The Mississauga Library Board was advised of the Council motion to rename Central Library on October 21, 2020 at a regular board meeting.

With the resolution 0340-2020 approved on October 28, 2020 Council has approved the naming in principle and has requested that this recommendations report be brought back to Council.

This report outlines the request to dedicate the Central Library, located at 301 Burnhamthorpe Road West in honour of Hazel McCallion’s 100th birthday on February 14, 2021. The report seeks approval of the recommendation, waiving the policy requirement regarding the posthumous status of the honoree as established in the corporate naming policy, and a relief from the 30 day prescribed consultation process.

Comments

Hazel McCallion served the people of Mississauga for 53 years as Reeve and Mayor of Streetsville and then as Mayor of Mississauga and until recently held the title of Canada’s longest serving Mayor. She helped define the City and the Region and was recognized as a “Nation Builder” for developing the Greater Toronto Mayor’s Committee in 1992 to help shape the region through the development of coordinated goals and strategic plans. Through her time in office, Mississauga flourished from a series of small towns to the sixth largest city in Canada. She was instrumental in the development of the Civic Precinct of Mississauga including the development of City Hall, the Living Arts Centre and the Central Library.

Hazel McCallion has been honoured with many awards to recognize her legacy including the Member of the Order of Canada, the Order of Ontario, the Queen’s Golden and Diamond Jubilee Medals, and an Honorary Doctor of Laws from the University of Toronto. She was also awarded the Key to the City of Mississauga. In recognition of her significant role in the province, the Ontario legislature passed a bill to make February 14th Hazel McCallion day across the province.

Throughout her long career, she encouraged the importance of education and the arts and encouraged all around her to be consistent and diligent in their requirements to “do their homework”. She has an annual gala through which she raises money for arts and culture in the City, which is just a part of her extensive philanthropic efforts for local hospitals, educational institutions and initiatives to support youth, arts culture and heritage in the City.

It is fitting then that the library be renamed in her honour as it continues to develop programs and services to fulfill its mission to “meet the life-long informational, educational, cultural and recreational needs for all citizens”. The libraries’ efforts to ensure equity of service and access to information, space for learning, and the technology required to support learning provides the City of Mississauga residents with the capability for lifelong learning, in alignment with Hazel’s legacy. The facility will be renamed just ahead of its modernization to ensure its continued ability to meet the educational needs of Mississauga residents for years to come.

In recognition of this naming, Library signage will be erected on the exterior of the library on Hazel McCallion’s 100th birthday and an exhibit highlighting her legacy will be assembled in the

Library to recognize her significant achievements. A ceremony will be developed to commemorate the sign unveiling.

In accordance with the City's "Property and Facility Naming and Dedications" corporate policy, the proposed dedication of the Central Library in honour of Hazel McCallion, is consistent with the selection criteria which gives preference to names that "honour an individual's significant contribution to the community." The Ward 4 Councillor has been consulted and supports the recommended decision.

Financial Impact

There are no additional financial impacts as a result of this report. The costs of the new signage are included in the existing approved Central Library renovation project capital budget. Costs for exhibits and the unveiling event will be absorbed through divisional operating budgets.

Conclusion

The proposed renaming of the Central library to the Hazel McCallion Central Library, located at 301 Burnhamthorpe Road West is in accordance with the City's "Property and Facility Naming and Dedications Corporate Policy". The renaming of the library is consistent with Hazel's legacy of support of education and equitable access to information and her significant role in the development of the Central Library and the Civic Precinct. To ensure alignment of the Ceremony with her 100th birthday, it is recommended that Council approve this naming and waive the 30 day consideration period for the dedication.

Rental Fees for Indoor Sport Amenities with Restricted Capacities

Recommendation

That Council endorse the temporary adjustment to Recreation Fees as outlined in the report entitled "Rental Fees for Indoor Sport Amenities with Restricted Capacities" dated November 20, 2020 from the Commissioner of Community Services.

Background

Since the initial closures in March of 2020, regulations for sports amenities have been revised on an ongoing basis as the Province responds to the continued increase in cases of Covid-19. Throughout the summer, although capacities were limited on outdoor amenities, user fees were not discounted as the City's operating costs remained unchanged. On November 18th 2020, three figure skating clubs requested that council consider a significant fee reduction to support the Clubs and their participants during stages with reduced capacities. Currently, although groups were limited to ten on the ice at a time, the clubs indicated that they have not increased the fees to their participants to offset the costs as other organizations have done.

Present Status

Consideration of any fee reductions should be carefully considered given the scope of the impact and uncertainty in responding to the pandemic. If the City reduced arena rates, in an effort to ensure consistency and equity, indoor turf rates would also be need to be reduced. Additionally, the established restrictions as set out in the Province's Covid-19 Response Framework are a temporary measure and subject to change with an increase/decrease in positive cases. Affiliated clubs already receive preferential pricing through the Community Group Registry program. For affiliated ice users the approved hourly rate is discounted by approximately 30% at \$187 for prime-time, compared to the resident rate of \$278. This is already well below our cost recovery for ice of \$250- \$300 per hour. A fee reduction would mean further discounting when the City is currently incurring higher costs to keep facilities open.

Comments

The COVID-19 pandemic has had a significant impact on all Mississauga residents, including all sport groups, and unfortunately requires a level of sacrifice from the community. In the case of reduced capacities, it will cost individuals more to train and in some cases, organizations are making the difficult decision to pause services.

With increasing cases, the Region of Peel has moved into the Lockdown stage of the Provincial Covid-19 Framework as of Monday November 23, 2020. Prior to this, while in the Control stage, the City had continued to offer drop-in public skating opportunities at affordable rates to ensure physical activity remained accessible. Where financial means may be a barrier to participation, low-income individuals and families may also qualify for the Active Assist Fee Subsidy which can be applied to a skating membership. Other options for lower-cost access to ice arenas include: '5-skater rate', 'Last minute ice rate' and purchasing ice during non-prime times.

While previously under the Control stage, in addition to amenity capacities being limited to 10 people, no games or scrimmages were permitted and the City saw an increase of available ice time as a result. Typically, weekends are utilized primarily for game play and as such, arena utilization was at approximately 60-65%.

Although arenas and indoor turf will remain closed in the Lockdown stage, should the Region of Peel return to the Control stage with limited capacities, staff recommend applying the non-prime rates to weekends for both amenities to increase utilization and support user groups. There is no differentiation between prime and non-prime time in gymnasiums and as such this rate would not be included.

Applying the non-prime rates to weekends would benefit the figure skating clubs as all 3 clubs were already purchasing varying levels of weekend ice (Port Credit – 10 hours/week; Streetsville-Meadowvale – 6 hours/week; Mississauga – 3.5 hours/week). Based on the current usage of the clubs, the clubs would save \$850, \$500 and \$300 per week respectively, which is a substantial improvement over the October/November expenses incurred for ice. And additional savings could be realized if the clubs moved weeknight bookings to the weekend where feasible.

The hockey groups in Mississauga have been impacted significantly due to the restrictions as well, and this adjustment in rates for weekends would be of benefit to them and likely drive up ice bookings. Other ice groups that would benefit include sledge hockey and ringette. For indoor turf, soccer clubs and other field users would benefit from adjusted weekend rates as well.

Financial Impact

Based on the most recent utilization, adjusting Saturdays and Sundays to the non-prime rate for arena and turf use would result in a reduction of \$7,500 per week in revenue to the city. The

reduced rate would likely result in increased volume of hourly rentals, however it is unlikely that the full amount would be recovered.

Conclusion

In order to support City arena and indoor turf users where capacities are limited and game play not permitted, it is recommended that the non-prime rate be applied to Saturdays and Sundays. The Director of Recreation has the authority to temporarily implement fee changes and is prepared to do so in the event arenas and indoor turf facilities are reopened under the 'Control' stage of the provincial framework.

Mayor and Members of Council
City of Mississauga

Subject: Westminster Court Affordable Seniors Housing Development

Dear Mayor Crombie and Members of Council:

We would like to express our appreciation for your efforts in dealing with the challenges presented to all residents of the City of Mississauga by the COVID-19 pandemic. The affordable rental housing project we manage is home to more than 200 independent living seniors and we fully understand the great impact this has made on each and every one of them.

As many of you may be aware, Westminster Court, which is located at 4150 Westminster Place, is a 190 unit affordable seniors rental housing project developed in the early-1980's by our non-profit housing corporation, St. Luke's Dixie Seniors Residence Corporation. We understand that we are the largest private non-profit seniors residence in the City.

Over the past two years we have had the opportunity to meet on several occasions with the Mayor, our local member of Council, Chris Fonseca, and senior City staff regarding our plans to intensify our site. We are considering adding up to 120 new units of affordable seniors rental housing. This would be accomplished by developing a new, energy efficient, truly affordable rental building on our surface parking lot adjacent to our existing 190 unit building and concurrently developing underground parking. Given the continued aging of the City's population and the growing shortfall of such

accommodation, we have been strongly encouraged by all to try and put this project together.

This is a significant project and we are carefully looking to mitigate as much of the risk as possible. At this time, there is one funding source available that would enable us to undertake this project. Under the National Housing Co-Investment Funding Program, Canada Mortgage and Housing Corporation (CMHC) provides capital funding in the form of low interest loans, supplemented by modest grant contributions, to support the development of affordable rental housing for priority vulnerable groups identified in the National Housing Strategy. Seniors are considered to be perhaps the highest priority of these vulnerable groups.

In order to apply for this major capital funding, an applicant is required to demonstrate that they possess a site which has been zoned for the intended use. Other criteria include a sustainable financial budget, a high level of energy efficiency, a significant emphasis on accessibility and barrier free design, and a strong commitment to affordability. We have met with CMHC on several occasions and confirmed our intention to meet all of these criteria and have moved forward with our project planning to the extent possible.

However, we have encountered a serious roadblock that is threatening our efforts. In order to develop a project that would provide 120 units of truly affordable rental housing, we require an official plan and zoning amendment from City Council. We are unable to apply to CMHC for Co-Investment Funding until these amendments are in place. Obtaining an official plan and zoning amendment for a project of this size requires a range of technical studies to be completed and an application fee of approximately \$125,000 to be paid to the City.

We maintain a capital reserve fund which has been accumulated over the years, but these funds are required to pay for major repair and replacement of capital elements in our existing building, not for funding new development projects. We have recently undertaken a review which found that, with our existing building now reaching 35+ years of age, the need for replacement of capital elements is on the rise and our reserve funds will be more than fully utilized addressing these needs to ensure our existing seniors continue to live in an acceptable standard of accommodation.

CMHC offers another program called SEED Funding which can provide modest levels of funding to assist with predevelopment planning. We applied for this funding and received approval for a contribution of \$69,000, which is close to the amount required to cover the \$88,000 cost of the technical studies, but not sufficient to pay the City official plan and rezoning application fee of approximately \$125,000. These studies are currently underway and we will soon be in a position to submit our official plan amendment and rezoning application. However, we lack the funds to pay the City's \$125,000 application fee, which means we are unable to move forward with the project and unable to submit our Co-Investment application to CMHC.

We met with Councillor Fonseca and City staff earlier this year to discuss this roadblock and they indicated that, given the potential for this project to help meet the major gap for affordable seniors housing in the City, it may be in the City's best interests to assist us in meeting this fee. In a recent meeting, it was suggested that a grant-in-lieu in the amount of the application fee would be a potential approach that may be supported by the City.

As noted above, this assistance from the City would be critical in enabling us to submit our application to CMHC for the capital funding required for the project to proceed. Accordingly, we are hereby requesting that Council approve a grant-in-lieu equivalent to the City's official plan and rezoning amendment application fee to a maximum of \$125,000 to enable us to proceed with the submission of our application.

We appreciate the opportunity for Council to consider this request, which, if approved, would greatly assist in providing affordable rental housing for the growing number of seniors in need in the City of Mississauga.

We look forward to your response.

Yours truly,

CMHC SEED FUNDING CONTRIBUTION AGREEMENT

("Agreement")

BETWEEN

CANADA MORTGAGE AND HOUSING CORPORATION

("CMHC")

- AND -

ST. LUKE'S DIXIE SENIOR RESIDENCE CORP.

("Recipient")

(Collectively referred to as the "Parties" and each individually a "Party" under this Agreement.)

WHEREAS under the Seed Funding Program established pursuant to Section 76 of the National Housing Act ("Program"), CMHC provides funding for the development or implementation of proposals to help increase the supply of affordable housing and assist existing projects to remain viable and affordable.

and

WHEREAS the Recipient has requested CMHC Seed Funding from CMHC through the submission of an application which was approved by CMHC on May 14, 2019, for any one or more of the housing projects ("Project") and certain eligible costs associated with the Project, as identified under Schedule A of this Agreement (the "Eligible Activities"); and

NOW THEREFORE THIS AGREEMENT WITNESSETH that in consideration of the funding provided by CMHC to the Recipient, the Recipient covenants and agrees with CMHC as follows:

1. Term of Agreement.

This Agreement shall become effective on September 20, 2019 ("Effective Date") and shall terminate on the second year anniversary of the Effective Date September 20, 2021 ("Initial Term"), unless terminated earlier in accordance with its terms. At CMHC's sole discretion and following the end of the Initial Term, this Agreement may be extended in writing by CMHC. Collectively the Initial Term and any CMHC authorized extension shall constitute the "Term" of this Agreement.

2. Seed Contribution and Maximum Financial Liability.

The maximum contribution of CMHC under this Agreement is \$69,000.00 (the "Seed Contribution"). The Recipient acknowledges and agrees that:

- (a) The Recipient's eligibility for the Seed Contribution is conditional upon the Recipient's ongoing compliance with the terms and conditions set out under this Agreement;
- (b) The Recipient shall use the Seed Contribution only for the approved Eligible Activities described in Schedule A (Project and Eligible Activities);
- (c) The Recipient must complete an assessment of the needs/demands and a preliminary financial feasibility assessment satisfactory to CMHC, at its discretion, prior to incurring expenses for other Eligible Activities;
- (d) The Seed Contribution shall not be used to finance Eligible Activities carried out prior to the Recipient's receipt of CMHC's Application Approval Letter confirming the Recipient's eligibility for the Seed Contribution; and
- (e) The Recipient's eligibility for the Seed Contribution does not constitute an assurance that the Project or associated Eligible Activities will be approved for other forms of CMHC or other federal assistance.

3. Project.

Project shall mean the housing project outlined under Schedule A of this Agreement. The Project shall, at all times during the Term of this Agreement, meet the minimum "affordability criteria" in accordance with available municipal/provincial standards or, failing such standards, as determined by CMHC.

Motion to Endorse Take the Pledge Campaign

Moved by ; Pat Saito

Whereas the City of Mississauga adopted a Vision Zero Strategy to reduce fatalities and serious injuries for all road users; and

Whereas the number one cause of serious injuries or fatalities in collisions is speed; and

Whereas death and injury due to motor vehicle collisions is a public health issue; and

Whereas the City's Road Safety Committee is responsible for developing campaigns to promote road safety; and

Whereas the Road Safety Committee includes stakeholders from both Peel Region Police and the OPP; and

Whereas Peel Regional Police have included Road Safety under the umbrella of their Community Safety and Well Being Model; and

Whereas Peel Regional Police launched a campaign called "Take the Pledge Peel" to encourage motorists to slow down on our roads; and

Whereas the "Take the Pledge Peel" campaign is a Social Development Strategy in the Community Safety and Well Being Model designed to have the community to speak as one voice against speeding on our roads; and

Whereas the Road Safety Committee has endorsed launching the campaign with Peel Regional Police in Mississauga and is asking the City of Mississauga Council to formally endorse a partnership with Peel Regional Police to promote the pledge; and

Whereas the campaign fits into the City's Vision Zero strategy focusing on making our roads safer for all users.

Therefore be it resolved that the Council of the City of Mississauga endorses participation in the Peel Regional Police “Take the Pledge Peel” campaign and encourages all citizens to take the pledge to slow down on our roads to save lives.

And further that all city staff be encouraged to take the pledge as part of the campaign to show their support for Vision Zero and road safety.

Motion to Direct Staff to report to Council on Grant-in-lieu Request for Planning Application to Expand Westminster Seniors Affordable Housing

WHEREAS St Luke's Dixie Seniors Residence Corporation ("St. Luke's") is proposing to infill on their existing non-profit seniors' housing site at 4150 Westminster Place, which will add up to 120 seniors' units to Mississauga's affordable seniors' rental housing stock;

AND WHEREAS Official Plan Amendment and Rezoning applications with fees of up to approximately \$125,000 are required to facilitate the proposed development;

AND WHEREAS St. Luke's is requesting relief from the application fees because funding through the Canada Mortgage and Housing Corporation (CMHC) National Housing Co-investment Fund is not accessible until after a successful rezoning is in place, and St. Luke's has stated they do not otherwise have the funds to pay the fees;

AND WHEREAS Council's consideration of this request does not fetter the ability of staff or Council to evaluate the planning applications on the basis of planning merits;

THEREFORE BE IT RESOLVED THAT staff prepare a report to assist Council in evaluating the nature of the request and implications of offering a grant-in-lieu under S.107 of the *Municipal Act, R.S.O., 2001.*"

Chris Farnecy

WHEREAS Schedule 27 of the City's Business Licensing By-law 0001-2006, sets storage fees for owners of vehicle pound facilities at an amount that may be up to \$85.00;

AND WHEREAS Council wishes to amend the City's Business Licensing By-law 0001-2006 to set the storage fee at \$85.00 to establish consistency within the vehicle pound facility industry;

NOW THEREFORE BE IT RESOLVED that Schedule 27 of the City's Business Licensing By-law 0001-2006 be amended to set the storage fee at \$85.00;

WHEREAS the City's Tow Truck Licensing By-law 521-04 requires the City to revoke a licence where a licensee has received a conviction, with a value of four or more demerit points, under the *Highway Traffic Act*;

AND WHEREAS the City's Tow Truck Licensing By-law 521-04 requires the City to revoke a licence where a licensee has been convicted of certain offences under the *Criminal Code of Canada*;

AND WHEREAS the right to appeal a conviction is a fundamental right that persons can exercise within the judicial system in Ontario;

AND WHEREAS notwithstanding a person's ability to appeal a conviction, the City must consider the health, safety and well-being of persons and the protection of persons and property, including consumer protection and City staff must administer tow truck licences including renewals in accordance with the Tow Truck Licensing By-law and in accordance with the *Municipal Act, 2001*;

NOW THEREFORE BE IT RESOLVED that staff report to the Towing Industry Advisory Committee with recommendations related to an amendment to the Tow Truck Licensing By-law 521-04 for setting an appropriate threshold to consider convictions under appeal for applicants and licensees, while balancing the interests of the public related to health, safety and well-being of persons;
