Members of General Committee moved into Closed Session at 1:34 PM.

RECOMMENDATION

Whereas the Municipal Act, 2001, as amended, requires Council to pass a motion prior to closing part of a meeting to the public;

And whereas the Act requires that the motion states the act of the holding of the closed meeting and the general nature of the matter to be considered at the closed meeting;

Now therefore be it resolved that a portion of the General Committee meeting to be held on November, 4, 2020 shall be closed to the public to deal with the following matter:
