

Traffic Calming on
Flagship Road (Item # 9.5, App. 1)
Request for Continuation
of Traffic Calming
for Rymal Road

General Committee Meeting, Wed. March 31, 2021

Flagship Drive

(Proposed speed bumps or ASE traffic calming measures)

3 Way Stop at Rymal Rd. & Flagship Dr.

(Excessive speeds + Running of stop sign)

ISSUE: No Stopping at the 3-way  sign at Rymal Rd. & Flagship Dr.

View to the SOUTH east

Community Park on the south east corner – with school route thru the park = heavily used crossing area

View to the NORTH to Bloor St.

5.5

Sloping curved roadway with hidden crossing area + speeding cars running the stop = accident waiting to happen!

View to the SOUTH towards Hillman Cres.

Rymal Rd. curves to the right and downhill quite suddenly, pedestrians cross here as well for park path

View to the NORTH

View to the SOUTH west

Neighbourhood is heavily skewed to families with small children and park usage has increased because of COVID

1. Community video showing the STOP sign concerns at Rymal & Flagship was sent to council and we would appreciate you viewing the live action NON-STOP insanity. STOP sign is merely a suggestion on Rymal and needs to be addressed.
2. **Community Petition Results:**
 - **35 Residences** on Rymal Road from Bloor St. to Hillman Cres. were contacted.
 - 80% of these residents agree that **speeding is a major problem**, and that action needs to be taken, before a serious accident or major injury occurs.
 - **80% (27 residents) support traffic calming measures on this stretch.**
 - In addition to the speed and non-stopping of vehicles at the neighbourhood stop signs, it has been noticed, by several residents, that there is also a **noticeable** increase in traffic using Rymal Road south as a detour, presumably to access Tomken Road towards Dundas.
Specifically, after the traffic lights were installed at the Bloor/Rymal corner.

Our Proposal with 80% community support:

Traffic calming measures, that are currently being proposed for Flagship Drive or the ASE, to be continued on Rymal Rd., slightly north and south of the Rymal Rd. & Flagship Dr. 3 way  sign.

Thank you for your consideration towards this initiative and hopefully your final approval.
