Hi Megan,

I would like to propose, further to the email from Max Gill requesting that we remove the school crossing at Second Line West and Sombrero Way, that the crossing guard location be moved from Second Line West and Sombrero Way to the new all way stop at Second Line West and Lamplight Way, the location the students will now need to cross to access St. Julia CES. I would further request that Traffic Safety schedule a site inspection at Lamplight Way and Second Line West to determine if the warrants are met for the retention of the crossing guard moved from Sombrero Way and Second Line West to Lamplight Way and Second Line West in the fall, 2021.

I would request that this matter be considered at the Traffic Safety Council meeting June 23, 2021.  
Thank you.

Regards,

Sheelagh
