Consolidated Recommendation

The City has no objection to the consent application.

Application Details

The applicant requests the approval of the Committee to sever a parcel of land for the creation of a new lot. The parcel of land has a frontage of approximately 7.92m (approx. 25.98ft) and an area of approximately 483.1sq.m (approx. 5,200.05sq.ft).

Recommended Conditions and/or Terms of consent

- Appendix A – Conditions of Provisional Consent

Background

Property Address: 20 Broadview Avenue

Mississauga Official Plan

Character Area: Port Credit Neighbourhood (West)
Designation: Residential Low Density II

Zoning By-law 0225-2007

Zoning: RM7-5 - Residential

Planning Applications: None

Site and Area Context

The subject property is located within the Port Credit Neighbourhood (West) Character Area, northeast of Mississauga Road South and Lakeshore Road West. The immediate area consists of a mix of detached, triplex, duplex and semi-detached dwellings. The low density dwellings in the immediate area consists of lots with frontages ranging from approximately 7.22m (23.7ft) to 17.2m (56.4ft). The subject property contains an existing one and a half storey dwelling with no vegetation in the front yard.

The applicant is proposing to sever the existing lot to create two new parcels for the development of two new semi-detached dwellings.

Planning

Planning Act

Section 51 (24) of the *Planning Act* sets out the criteria for land division in the Province of Ontario. In evaluating such requests, the Committee needs to be satisfied that the proposal meets not only the criteria set out under Section 51(24), but also municipal requirements identify in local legislation.

Section 45 of the *Planning Act* provides the Committee of Adjustment with the authority to grant relief from the requirements of a municipal zoning by-law. In evaluating such requests, the Committee needs to be satisfied that the proposal meets the four tests set out in the *Planning Act*.

Provincial Matters

The Provincial Policy Statement 2014 (PPS 2014) and Growth Plan for the Greater Golden Horseshoe promote efficient development and land use, directing the focus towards intensification and redevelopment. The proposal is consistent with the general directive in provincial policy.

Staff comments concerning the application for consent are as follows:

Since 1961, the Village of Port Credit Zoning By-law No. 1227 has permitted a variety of housing types for the subject lands including detached, duplex, triplex, double duplex, double triplex, fiveplex, converted dwelling and boarding or lodging house. In 1997, City Plan (the Official Plan) was adopted, permitting detached, semi-detached, duplex and other forms of dwellings with individual frontages on a public street. In 2007, the City undertook a zoning by-law conformity and consolidation exercise including public consultation, which adopted the current RM7 zone provisions.

The subject property is designated Residential Low Density II in Schedule 10 of the Mississauga Official Plan (MOP), which permits detached, semi-detached, duplex, triplex and other forms of low rise dwellings with individual frontages. The subject property is located within the North Residential Neighbourhood Precinct the Port Credit Local Area Plan. Section 16.1.2.1 of the MOP states, to preserve the character of lands designated Residential Low Density I and Residential Low Density II, the minimum frontage and area of new lots will be evaluated in the context of the existing lot pattern in the surrounding area. Section 10.3 (Neighbourhood Character Area) of the Port Credit Local Area Plan, intends to ensure development is sensitive to the existing low rise context and reinforces the planned character of the area. The official plan and zoning by-law envisions a mix of dwelling types with an eclectic lot fabric in the surrounding area. The proposed parcels are consistent with other semi-detached lots found within the immediate area and contributes to the eclectic nature of the existing and planned community.

Staff is of the opinion that the application conforms to Section 51(24) of the Planning Act, more specifically that the application conforms to the official plan and the proposed parcels are suitable to accommodate semi-detached dwellings.

Appendices

Appendix 1 – Transportation and Works Comments

Should Committee see merit in the applicant's request we are providing the following conditions/requirements for Committee's consideration:

A. Items Required Prior to the Issuance of Final Consent

1. Overall Grading and Drainage Plan

The applicant's consulting engineer will be required to prepare an Overall Grading and Drainage Plan which contains sufficient details to ensure grading compatibility with the adjacent lands and submit the grading and drainage proposal to this department for review/approval.

2. Municipal Address Requirement

Prior to the issuance of final consent, satisfactory arrangements are to be made with Corporate Services Department, Information Technology Division, Digital Services & Mobility Section, Geospatial Solutions Group for the creation of new municipal addresses for the severed and retained lands. For further information, please contact Susie Tasca at (905) 615-3200 ext. 3088 or susie.tasca@mississauga.ca

For further information regarding the above noted comments, please contact John Salvino at (905) 615-3200 ext. 5183 or john.salvino@mississauga.ca

B. GENERAL INFORMATION

1. Lot Grading and Drainage

We advise the applicant that issuance of any building permits for the new dwelling(s) will be subject to the owner submitting a certified lot grading and drainage plan to this Department for review/approval. The grading and drainage plan is to contain sufficient detail to ensure grading compatibility with the adjacent properties. In addition, the owner will be required to submit the applicable lot grading and municipal services protection deposits.

2. Servicing

All costs incurred in providing any service laterals will be the responsibility of the owner. The owner will also be responsible for all costs incurred for the required road reinstatement (if required). If the service connections are to be installed by a private contractor retained by the owner, issuance of an open cut permit will be subject to the owner depositing adequate securities with the City to guarantee proper road reinstatement.

3. Access

The applicant will be required to apply for Access Modification Permits prior to Site Plan Approval and/or Building Permit Issuance. We advise the applicant that all costs incurred in providing any new driveway entrance(s) to the subject lands or any modifications/reinstatement required, would be at cost to the owner. Driveway accesses shall maintain a 1.5m setback from aboveground features such as utilities and trees. We are also noting that should any utilities need to be relocated, all costs incurred will also be to the owner.

4. Storm Sewer Outlet

The storm sewer outlet for this site is the existing 525mm storm sewer on Broadview Avenue. The applicant is encouraged to design the basement elevation 1 metre above the obvert of the storm sewer on the street to eliminate the need for a sump pump.

Please note that in cases of a high groundwater table where a sump pump could run continuously if a sump pump was implemented, the applicants should consider raising the basement elevation to be at least 1.0 meter above the groundwater level. It is the owner's responsibility to satisfy themselves with these conditions as the City has no obligation to address any concerns with the operating conditions of private sump pump systems.

For further information please contact Ghazwan Yousif at ext. 3526.

Appendix 2 – Zoning Comments

We have no objection to the consent application provided that the severed and retained lands comply with the provisions of Zoning By-law 0225-2007, as amended, with respect to, among other things, minimum lot frontage, minimum lot area, setbacks to the existing building(s), on site parking, etc., or alternatively, that any minor variance(s) is approved, final and binding and/or the demolition of any existing building(s) is complete.

We further advise that the proposed lot frontage is to be calculated in accordance with the following definition;

The applicant is advised that Lot Frontage means the horizontal distance between the side lot lines and where these lines are not parallel means the distance between the side lot lines measured on a line parallel to and 7.5 m back from the front lot line.

Appendix 3 – Parks, Forestry & Environment

The Park Planning Section of the Community Services Department has reviewed the consent application and advises as follows.

Should the application be approved, Community Services wishes to impose the following conditions:

1. The applicant shall provide a cash contribution of \$607.12 for planting of one (1) street tree on Broadview Avenue. This figure is subject to the most recent Fees and Charges By-law at the time of payment and is therefore subject to change.

In addition, Community Services notes the following:

1. Payment for street tree fees and charges can be made at the Parks and Forestry customer service counter located at 950 Burnhamthorpe Road West in the form of a certified cheque, bank draft, or money order payable to the City of Mississauga. Please contact Jim Greenfield regarding the Covid-19 interim payment process.
2. Prior to the issuance of building permits, cash-in-lieu for park or other public recreational purposes is required pursuant to Section 42 of the Planning Act (R.S.O. 1990, C.P. 13, as amended) and in accordance with the City's policies and by-laws.

Should further information be required, please contact Jim Greenfield, Park Planner, Community Services Department at 905-615-3200 ext. 8538 or via email jim.greenfield@mississauga.ca

Appendix 4 – Heritage

The property has archaeological potential due to its proximity to a present or past watercourse or known archaeological resource. The applicant should contact the Ministry of Heritage, Sport, Tourism and Culture Industries to determine the archaeological concerns related to the application. A letter from the Ministry of Tourism, Culture and Sport confirming that all archaeological resource concerns have met licensing and resource conservation requirements for the property must be submitted to Heritage Planning.
