Honourable Starr and McFadden:

This is to inform you that I am resigning from the Diversity & Inclusion Advisory Board, effective immediately.

My family and I are moving to Toronto, and will no longer be a resident of Mississauga.

I would like to thank you for the opportunity to have served on this advisory board.

I found myself on so many occasions walking away from meetings with a different point of view than I had going in.

It was truly a growth opportunity, and for that I thank both yourselves and all the other members of the committee..

Thank you again for the chance to serve

Kindest regards

Cindy Stevens
