Hi Renuka,

I have been honoured to be a member of the Traffic Safety Council, a prestigious working committee of the city of Mississauga. I enjoyed working with the other members and the chair throughout the ongoing tenure. Now the nature of my job has changed, making it difficult to contribute my time for this committee. As I am unable to provide the required time to the committee, I feel it would be unfair to continue with my membership with the Traffic Safety Council. Therefore I hereby submit my resignation from the membership of the Traffic Safety Council, City of Mississauga.

I will really miss you all and would love to rejoin the committee whenever my working environment allows me to contribute with full strength.

Regards,
