

O.Reg. 364/20 Capacity Limits Where Proof of Vaccination Required

October 27, 2021

Capacity Limits Lifted

| October 25 th | November 15 th (regulation not yet released) |
|--|--|
| Restaurants, bars and other food & drink establishments (without dance floors) | Food and drink establishments with dance floors |
| Sports and recreational facilities (including spectator areas) | Nightclubs, strip clubs, sex clubs, bathhouses |
| Areas where personal physical fitness trainers provide instruction | Wedding receptions with dancing |
| Waterparks | |
| Casinos, bingo halls and gaming establishments | |
| Indoor meeting and event spaces | |

What does it mean to lift capacity limits?

- 2m physical distancing no longer required
- Restaurant tables do not need to be separated by barriers or spaced 2m apart
- Masking rules have not changes
- Operators are still required to:
 - Check vaccination certificates and ID
 - Screen patrons for COVID-19 symptoms; and
 - collect contact tracing information

Opting In

- Certain businesses/organizations can **choose** to require identification and proof of vaccination from patrons, in accordance with s.2.1 of Schedule 1
- While election is in effect, the business/organization does **not** need to limit capacity to ensure 2m distancing
- While election is in effect, signs must be conspicuously posted at all entrances
- Election can be made **per day**
