5.1 Item 9.2 Kristina Martens and Annie Veilleux, ASI Heritage

Kristina Martens and Annie Veilleux of ASI Heritage presented on the Cultural Heritage Landscape Project (“CHL”).

Committee Members inquired about adding specific cultural landscapes, heritage neighbourhoods and properties to the Cultural Heritage Landscape Project.

Dave Cook, Vice-Chair expressed concern with the use of social media campaigns regarding CHL designations and inquired whether printed surveys would be delivered to residential neighbourhoods.

Ms. Martens clarified that social media is recommended for interpretation and that designation would not rely solely on that medium.

Paula Wubbenhorst, Heritage Planner provided Committee Members with the link to the Conserving Heritage Landscape project: www.mississauga.ca/CHL. Ms. Wubbenhorst confirmed that the Credit Grove area was reviewed, but it was determined that it did not merit the criteria that Ms. Martens spoke of. Ms. Wubbenhorst stated that the Hiawatha on the Lake and Lakeview areas could be reviewed next time.

Lisa Small, Citizen Member inquired if the heritage properties of early black settlers would be part of the CHL. Matthew Wilkinson, Citizen Member confirmed that Heritage Mississauga has received two plaques for installation commemorating Cedar Park Farm and Solomon Northup.

8. MATTERS CONSIDERED

8.1 Proposed Heritage Designation of 60 Cumberland Drive (Ward 1)

John Dunlop, Manager, Heritage Planning and Indigenous Relations advised Committee Members that the July 2021 amendment to the Ontario Heritage Act changed the manner for designating properties and placed the focus on overall planning. Mr. Dunlop advised the Committee that staff have a sizable list of properties for designation under the Act, and due to growth and change within the City, it is becoming vital to move forward on designations.

Mr. Dunlop advised that staff would continue to work with the property owner and confirmed staff are discussing details of the heritage by-law that would bring this designation.

Committee Members addressed the resident's concern and encouraged further discussion.

Mr. Dunlop informed the resident of the appeal process if the recommendation passes in Council and the Notice of Designation was to proceed.

RECOMMENDATION HAC-0066-2021

Moved By Councillor C. Parrish

That the property at 60 Cumberland Drive be designated under Part IV of the Ontario Heritage Act for its design, physical and contextual value and that the appropriate City officials be authorized and directed to take the necessary action to give effect thereto as per the report dated September 28, 2021 from the Acting Commissioner of Community Services.
