

City of Mississauga
Memorandum

Date: October 13, 2021
To: Chair and Members of Heritage Advisory Committee
From: Paul Damaso, Director, Culture Division
Meeting date: November 9, 2021
Subject: **5961 Hurontario Street (Ward 5)**

This memorandum and its attachment are presented for the Heritage Advisory Committee's information.

Section 7.4.1.12 of the Mississauga Official Plan states that: "The proponent of any construction, development, or property alteration that might adversely affect a listed or designated cultural heritage resource or which is proposed adjacent to a cultural heritage resource will be required to submit a Heritage Impact Assessment, prepared to the satisfaction of the City and other appropriate authorities having jurisdiction."

To accommodate the Hurontario Light Rail Transit, Metrolinx will remove the lowest step of the stairs that provide access to the front door of Britannia Church. The church is designated under the Ontario Heritage Act but the stairs reside on the adjacent property, in the right-of-way. As such, the attached Heritage Impact Assessment is provided for information.
