

Pedestrian Crossing Times

Advisory Committee Presentation

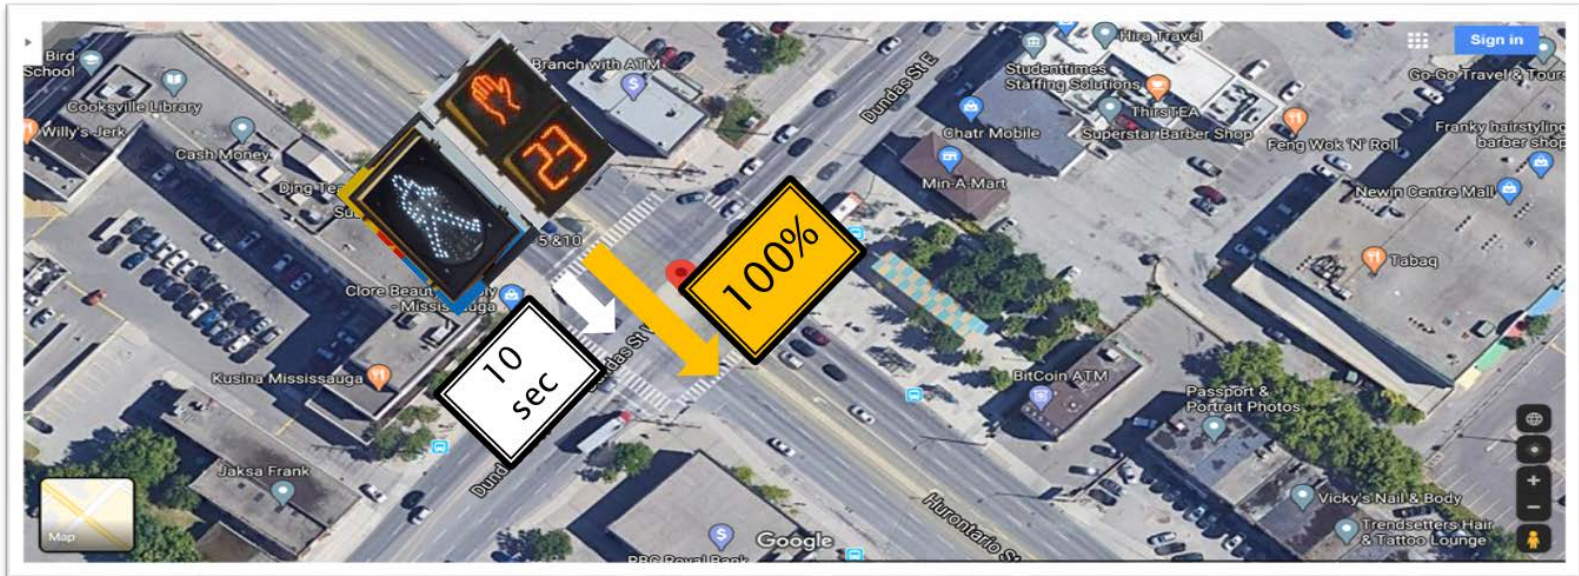

What are we doing?

- Updating pedestrian crossing times at approximately 800 intersections city-wide
- Helps Mississauga achieve Vision Zero by prioritizing pedestrian crossing at signalized intersections
- Ontario Traffic Manual guidelines were revised, resulting in Mississauga revising our guidelines
- The City of Mississauga is exceeding OTM guidelines to prioritize pedestrian safety
- Staff are coordinating with Regional staff for signalized intersections on Regional Roads within Mississauga

Current Guideline

Updated Guideline

- Total crossing time at an intersection will be based off a calculation specific to the intersection's geometrics

Web Content

- <https://www.mississauga.ca/services-and-programs/transportation-and-streets/road-safety/pedestrian-safety/>

Communications Plan

- Social Media Campaign
 - What the pedestrian crossing signal means
 - What changes are we making
- Will be spread throughout the course of the project

Next Steps

- Signal timing calculations and changes are currently underway
- Project completion goal of Fall 2022

Thank you!
