

## **REPORT 6 - 2021**

To: CHAIR AND MEMBERS OF HERITAGE ADVISORY COMMITTEE

The Meadowvale Village Heritage Conservation District Subcommittee presents its sixth report for 2021 and recommends:

### **MVHCD-0011-2021**

1. That the presentation by Laura Archila, Transportation Infrastructure Coordinator on the Willow Lane Guard Rail be received.
2. That the guard rail on the west side would be wrapped with an earth tone wrapper.
3. That the Subcommittee supports the reduction of the guard rail on the east side but request the final drawings be shown to the Subcommittee prior to the commencement of the project.

(MVHCD-0011-2021)

### **MVHCD-0012-2021**

1. That the memorandum from John Dunlop, Manager, Heritage Planning and Indigenous Relations, dated November 15, 2021, be approved as the proposed work plan does not significantly alter the character of the village.
2. That the third alternative be the preferred design and the pedestrian walkway be located on the east side.
3. That staff provide drawings to the Subcommittee showing where the lines will be prior to proceeding with the walkway.

(MVHCD-0012-2021)

### **MVHCD-0013-2021**

That the Meadowvale Village Heritage Conservation District Subcommittee receive this memo for information.

(MVHCD-0013-2021)

### **MVHCD-0014-2021**

That the resignation email of Brian Carmody, Citizen Member of the Meadowvale Village Heritage Conservation District dated October 31, 2021 be received.
