

City of Mississauga Department Comments

Date Finalized: 2022-01-06 To: Committee of Adjustment From: Committee of Adjustment Coordinator	File(s): B46.21 A305.21 A306.21 Ward: 1
	Meeting date:2022-01-13 1:00:00 PM

Consolidated Recommendation

The City recommends that the Committee have regard for all comments and evidence provided by the Applicant and area residents when assessing if the application, as requested, meets the requirements of Section 45(1) of the Planning Act. The Applicant may wish to defer the application to ensure that all required variances have been accurately identified.

Application Details

The applicant requests the Consent of the Committee to sever a parcel of land for the creation of a new lot. The parcel of land has a frontage of approximately 8.80m (28.87ft) and an area of approximately 335.22sq.m (3608.28sq.ft).

The applicant requests a minor variance for the retained lands (B46/21) and the construction of a new house proposing:

1. A lot frontage of 9.49m (approx. 31.14ft) whereas By-law 0225-2007, as amended, requires a minimum lot frontage of 9.80m (approx. 32.15ft) in this instance;
2. An exterior side yard measured to the dwelling of 1.89m (approx. 6.20ft) whereas By-law 0225-2007, as amended, requires a minimum exterior side yard of 4.50m (approx. 14.76ft) in this instance;
3. An exterior side yard measured to the front porch of 1.89m (approx. 6.20ft) whereas By-law 0225-2007, as amended, requires a minimum exterior side yard of 4.50m (approx. 14.76ft) in this instance;
4. An exterior side yard measured to the basement entrance stairwell of 1.89m (approx. 6.20ft) whereas By-law 0225-2007, as amended, requires a minimum exterior side yard of 4.50m (approx. 14.76ft) in this instance; and
5. A building height measured to a flat roof of 8.43m (approx. 27.66ft) whereas By-law 0225-2007, as amended, permits a maximum building height measured to a flat roof of 7.50m (approx. 24.6ft) in this instance.

The applicant requests a minor variance for the severed lands (B46/21) proposing:

1. A lot coverage of 46.33% whereas By-law 0225-2007, as amended, permits a maximum lot coverage of 45.00% in this instance; and
2. A building height measured to a flat roof of 8.43m (approx. 27.66ft) whereas By-law 0225-2007, as amended, permits a maximum building height measured to a flat roof of 7.50m (approx. 24.6ft) in this instance.

Recommended Conditions and/or Terms of consent

- Appendix A – Conditions of Provisional Consent

Background

Property Address: 30-32 Oakwood Avenue North

Mississauga Official Plan

Character Area: Port Credit Neighbourhood (East)

Designation: Residential Low Density II

Zoning By-law 0225-2007

Zoning: RM7-5 - Residential

Site and Area Context

The subject property is located within the Port Credit Neighbourhood (East) Character Area, northeast of Hurontario Street and Lakeshore Road East. The immediate area consists of a mix of detached and semi-detached dwellings. The low-density dwellings in the immediate area contain lot frontages ranging from approximately +/- 7.5m (24.6ft) to 23m (75.5ft). The subject property contains an existing two-storey dwelling with mature vegetation in the front yard. The applicant is proposing to sever the existing lot in order to create two new parcels for the development of two new semi-detached dwellings.

The proposed redevelopment of the property requires variances related to lot frontage, exterior side yards, building height and lot coverage.

Comments

Planning

Planning Act

Section 51 (24) of the *Planning Act* sets out the criteria for land division in the Province of Ontario. In evaluating such requests, the Committee needs to be satisfied that the proposal meets not only the criteria set out under Section 51(24), but also municipal requirements identify in local legislation.

Section 45 of the *Planning Act* provides the Committee of Adjustment with the authority to grant relief from the requirements of a municipal zoning by-law. In evaluating such requests, the Committee needs to be satisfied that the proposal meets the four tests set out in the *Planning Act*.

Provincial Matters

The Provincial Policy Statement 2014 (PPS 2014) and Growth Plan for the Greater Golden Horseshoe promote efficient development and land use, directing the focus towards intensification and redevelopment. The proposal is consistent with the general directive in provincial policy.

Staff comments concerning the applications are as follows:

The subject property is designated Residential Low Density II in Schedule 10 of the Mississauga Official Plan (MOP), which permits detached, semi-detached, duplex, triplex and other forms of low rise dwellings with individual frontages.

The Committee of Adjustment previously deferred the above noted applications on August 12th, 2021. Staff had noted concerns with the flat roof heights contained in the applicant's original proposal, as indicated in staff's report dated August 4th, 2021. Staff had no issues with the other variances proposed. The applicant has redesigned their proposal and reduced the flat roof heights of the dwellings.. Planning Staff has no concerns with the revised proposal, as the applicant has reduced the flat roof height from 10.4m (34.12ft) to 8.43m (27.66ft). Furthermore, there is a 0.28m discrepancy between average and established grade. When viewing the subject property from the street, the flat roof height would measure 8.15m (26.74ft), which is a minor deviation from the zoning by-law's maximum requirement. The remaining variances are the same. Through a detailed review of the application staff is of the opinion that the application is appropriate to be handled through the minor variance process. The application raises no concerns of a planning nature

Appendices

Appendix 1 – Transportation and Works Comments

Should Committee see merit in the applicant's request we are providing the following conditions/requirements for Committee's consideration:

A. Items Required Prior to the Issuance of Final Consent

1. Overall Grading and Drainage Plan

The applicant's consulting engineer will be required to prepare an Overall Grading and Drainage Plan which contains sufficient details to ensure grading compatibility with the adjacent lands and submit the grading and drainage proposal to this department for review/approval.

2. Municipal Address Requirement

Prior to the issuance of final consent, satisfactory arrangements are to be made with Corporate Services Department, Information Technology Division, Digital Services & Mobility Section, Geospatial Solutions Group for the creation of new municipal addresses for the severed and retained lands. For further information, please contact Susie Tasca at (905) 615-3200 ext. 3088 or susie.tasca@mississauga.ca

For further information regarding the above noted comments, please contact John Salvino at (905) 615-3200 ext. 5183 or john.salvino@mississauga.ca

B. GENERAL INFORMATION

1. Lot Grading and Drainage

We advise the applicant that issuance of any building permits for the new dwelling(s) will be subject to the owner submitting a certified lot grading and drainage plan to this Department for review/approval. The grading and drainage plan is to contain sufficient detail to ensure grading compatibility with the adjacent properties. In addition, the owner will be required to submit the applicable lot grading and municipal services protection deposits.

2. Servicing

All costs incurred in providing any service laterals will be the responsibility of the owner. The owner will also be responsible for all costs incurred for the required road reinstatement (if required). If the service connections are to be installed by a private contractor retained by the

owner, issuance of an open cut permit will be subject to the owner depositing adequate securities with the City to guarantee proper road reinstatement.

3. Access

The applicant will be required to apply for Access Modification Permits prior to Site Plan Approval and/or Building Permit Issuance. We advise the applicant that all costs incurred in providing any new driveway entrance(s) to the subject lands or any modifications/reinstatement required, would be at cost to the owner. Driveway accesses shall maintain a 1.5m setback from aboveground features such as utilities and trees. We are also noting that should any utilities need to be relocated, all costs incurred will also be to the owner.

4. Storm Sewer Outlet

The storm sewer outlet for this site is the existing 300mm storm sewer on Oakwood Ave. North. The applicant is encouraged to design the basement elevation 1 metre above the obvert of the storm sewer on the street to eliminate the need for a sump pump.

Please note that in cases of a high groundwater table where a sump pump could run continuously if a sump pump was implemented, the applicants should consider raising the basement elevation to be at least 1.0 meter above the groundwater level. It is the owner's responsibility to satisfy themselves with these conditions as the City has no obligation to address any concerns with the operating conditions of private sump pump systems.

For further information please contact Walter Copping at (905) 615-3200 ext. 5831.

We are noting that any Transportation and Works Department concerns/requirements for this property will be addressed under Consent Application 'B' 46/21.

Appendix 2 – Zoning Comments

B46/21

We have no objection to the consent application provided that the severed and retained lands comply with the provisions of Zoning By-law 225-2007, as amended, with respect to, among other things, minimum lot frontage, minimum lot area, setbacks to the existing building(s), on site parking, etc., or alternatively, that any minor variance(s) is approved, final and binding and/or the demolition of any existing building(s) is complete.

Lot frontage is to be calculated in accordance with the following definition:

Frontage means the horizontal distance between the side lot lines and where these lines are not parallel means the distance between the side lot lines measured on a line parallel to and 7.5m back from the front lot line.

A305/21 – Retained (30 Oakwood Ave N)

The Building Department is currently processing Preliminary Zoning Review application under file PREAPP 21-6136. From a review of this application, Zoning staff recommends the following amendment:

1. A lot frontage - corner lot of 9.49m; whereas By-law 0225-2007, as amended, required a minimum lot frontage - corner lot of 9.8m in this instance;
5. A building height measured to a flat roof of 10.40m; whereas By-law 0225-2007, as amended, permits a maximum building height measured to a flat roof of **7.50m** in this instance.

Our comments are based on the plans received by Zoning staff on 2021/05/13 for the above captioned application. Please note that should there be any changes contained within this Committee of Adjustment application that have not been identified and submitted through the preliminary zoning review process, these comments may no longer be valid. Any changes and/or updates to information and/or drawings must be submitted, as per standard resubmission procedure, separately through the preliminary zoning review process in order to receive updated comments.

A306/21 – Conveyed (32 Oakwood Ave N)

The Building Department is currently processing Preliminary Zoning Review application under file PREAPP 21-6136. From a review of this application, Zoning staff recommends the following amendment:

2. A building height measured to a flat roof of 10.40m; whereas By-law 0225-2007, as amended, permits a maximum building height measured to a flat roof of **7.50m** in this instance.

Our comments are based on the plans received by Zoning staff on 2021/05/13 for the above captioned application. Please note that should there be any changes contained within this Committee of Adjustment application that have not been identified and submitted through the preliminary zoning review process, these comments may no longer be valid. Any changes and/or updates to information and/or drawings must be submitted, as per standard resubmission procedure, separately through the preliminary zoning review process in order to receive updated comments.

Appendix 3 – Parks, Forestry & Environment

The Park Planning Section of the Community Services Department has reviewed the consent application and advises as follows.

Should the application be approved, Community Services wishes to impose the following conditions:

1. The applicant shall provide a cash contribution of \$1,875.99 for planting of three (3) street trees on Oakwood Avenue North and Forest Avenue. This figure is subject to the most recent Fees and Charges By-law at the time of payment and is therefore subject to change.

In addition, Community Services notes the following:

1. Payment for street tree fees and charges can be made at the Parks and Forestry customer service counter located at 950 Burnhamthorpe Road West in the form of a certified cheque, bank draft, or money order payable to the City of Mississauga. Please contact Jim Greenfield regarding the Covid-19 interim payment process.
2. Prior to the issuance of building permits, cash-in-lieu for park or other public recreational purposes is required pursuant to Section 42 of the Planning Act (R.S.O. 1990, C.P. 13, as amended) and in accordance with the City's policies and by-laws.

Should further information be required, please contact Jim Greenfield, Park Planner, Community Services Department at 905-615-3200 ext. 8538 or via email jim.greenfield@mississauga.ca.
