Robert Leuschner, Citizen Member enquired about if the signs for pedestrians and cyclists on the Queensway Trail would be taken down. Matthew Sweet, Manager, Active Transportation advised that staff would look into this and provide an update on the signs.

Suzanne Doyle, Vice-Chair spoke to Councillor Saito's road signs that identify the bike lanes on Tenth Line West. Councillor Fonseca responded noting that the signs were coming out of the Councillor's Ward budget. Councillor Fonseca further enquired if green paint could be used to differentiate the bike lanes. Mr. Sweet advised that staff are trying to address this concern in the by-law as the issue with distinguishing the bike lanes is with the legacy lanes and not with the new bike lanes and noted that the newer designs would not feature the single white line for bike lanes. Mr. Sweet further advised that staff would be looking into larger scale improvements to the legacy lanes in the next budget cycle.

Councillor Fonseca inquired if the committee would be having their annual holiday celebration. Megan Piercey, Legislative Coordinator advised that at this time the committee could only have a virtual holiday celebration. Committee Members requested that they wait to have a celebration until it was safe to gather in person instead of having a virtual celebration at this time.
