## Short term actions

- Continued Trail use
  - Sections may not be fully accessible
- Ongoing inspections
- Minor repairs
- Signage
- Dedicated website

## Long term actions

- Environmental Assessment
- Outcomes and options:
  - Should we install new or enhance existing riverbank treatments ?
  - Should we or can we move the trail ?
  - Should we or can we install a boardwalk ?
- Stakeholder engagement
- Budgeting & Design
- Construction of sustainable trail solution/s
- Dedicated website
