**Subject:** Renewal fee for unactive Taxi plate

Hi Reanne,  
Please add to the PVAC agenda for the Feb 16, 2022

Taxi owners, operators and taxi drivers have been adversely affected by the Covid-19 pandemic for a continual span of 2 years. Many taxicabs have been parked over this time frame and their businesses have been without an income, and basically closed. Even though some cabs were able to operate, the income loss resulting from Covid-19 and with restrictions, lockdowns, and the overall pandemic and the TNC have been devastating. Many taxicabs have been parked as the result of the pandemic with taxi plates sitting on the shelf.

Compassionately, we are asking for relief regarding renewal fees. We are also asking the city to follow the city of Brampton and the city of Oakville by charging \$54.00 renewal fee for any inactive plate.

Thank you in advance  
Sami Khairallah
