RESOLUTION

Moved By Councillor K. Ras

That the minutes of the December 8, 2021 Council meeting be approved, as presented.

6. PRESENTATIONS - Nil

7. DEPUTATIONS

7.1 Manjula Das, Secretary, Applewood Hills & Heights Residents Association, regarding Bloor Street Integrated Project

Manjula Das, Secretary, Applewood Hills & Heights Residents' Association ("AHHRA") was unavailable to attend, in her place Athina Tagidou, President, AHHRA addressed the community petition submitted to Council opposing the installation of bike lanes along Bloor Street from Dixie Road to Cawthra Road, and referenced sections of the *Canadian Charter of Rights and Freedoms* to address legal implications and safety impacts that bikes lanes would have on pedestrians, cyclists, motorists and local businesses.

In response to Councillor Saito's inquiry regarding data available on the number of collisions thus far on the Thomas Street multi trail, Helen Noehammer, Director Infrastructure Planning & Engineering Services, advised that they would provide the data to Councillor Saito in the next couple of days.

In response to Councillor Saito's request to confirm the type of bike lanes being proposed on Bloor Street, Geoff Wright, Commissioner, Transportation and Works advised that they have not completed the study and are reviewing the option for the design concept, which one of the options is a cycle track design which would not be mixed in with live traffic lanes which is a more protective design, and further added that there is no proposal to adjust the cross section of the road on Bloor Street.

Councillor Saito noted that she is comfortable that staff and Councillor Fonseca will consider the Vision Zero Strategy in looking at measures that there will be zero collisions and zero risk of life.

7.2 Jaspreet Bal, Vice President Ontario, World Sikh Organization with respect to seeking support to challenge Bill 21

Item 16.1.

Jaspreet Bal, spoke on behalf of the Ontario World Sikh Organization and provided an overview of the advocacy of the Organization and spoke to the legal challenge against the Quebec government, the community support and private citizen funding to advance the legal action. Ms. Bal recognized the City of Mississauga's strong statements on equity, diversity and inclusion, and noted how the City of Mississauga will be viewed in this historical moment will depend on its decisions and actions.

7.3 Gurpartap Singh Toor, National Board Member, World Sikh Organization of Canada with respect to Motion on providing funding for legal battle against Quebec's Bill 21

Item 16.1.

Gurpartap Singh Toor, echoed the comments made by Ms. Bal and expressed his disappointment in the political representatives in the federal government that have responded aggressively to this matter or have back tracked on their statements. Mr. Singh Toor emphasised the importance of obtaining the City of Mississauga's support in their challenge.

7.4 Rizwan Mohammad, Advocacy Officer, National Council of Canadian Muslims (NCCM) with respect seeking support of the legal challenge to Bill 21

Item 16.1.

Rizwan Mohammad, spoke on behalf of the National Council of Canadian Muslims (NCCM) and provided an overview of the advocacy of the NCCM. Mr. Mohammad spoke in favour of municipalities contributing funds towards the legal challenge against the Quebec government and emphasised that the City of Mississauga's contribution and commitment to standing up for justice, is essential not only in setting an example to other

municipalities but also to reassure residents that their religious rights are protected and will be defended.

7.5 Chrstyna Kells, Resident with respect to bike lanes on Bloor Street between Cawthra Road and Dixie Road

Chrstyna Kells, Resident, spoke regarding the Municipality's and Community's responsibility to ensure cyclist safety, noting that the cycling environment along Bloor Street is dangerous and the City has a responsibility to develop infrastructure for the safety of cyclists, pedestrians and motorists. Ms. Kells noted that she is not understanding of the lobbying to not permit bike lanes, and explained the benefits of installing bike lanes and emphasised that with the increase in cyclists, especially during the pandemic, conditions for safe cycling must be developed, and further suggested that the City's cycling group provide feedback and guidance on this matter.

Councillor Parrish commented bike lanes installed in Malton noting that they have slowed traffic and that the feedback she has received from residents is that motorists exiting their driveways are a lot more careful knowing there could be a cyclist in motion.

Councillor Carlson, confirmed that he has not received any complaints regarding bike lanes installed in Streetsville and inquired whether bike lane markings increase awareness and improve safety.

Geoff Wright, Commissioner, Transportation and Works, noted that without dedicated lane infrastructure some motorists may not be as cautious, leaving cyclists in vulnerable conditions, and further noted that dedicated lane improves the overall safety on the corridor.

Councillor Kovac thanked the deputants for their comments and feedback, and acknowledged the petition. Councillor Kovac spoke of the joint town hall community meetings and outreach to residents in Ward 3 and Ward 4. Councillor Kovac noted that the Bloor Street project reflects efficiencies to improve infrastructure with consideration of noise attenuation walls, tree canopy and installation of bike lanes. Councillor Kovac acknowledged he has received a lot of feedback in the positive with some residents expressing safety concerns. Councillor Kovac advised that there would be a third town hall meeting and encouraged residents to attend.

Councillor Fonseca thanked representatives of the AHHRA, Athina Tagidou, for her deputation, Manjula Das for the submission of the petition, and their attendance at the two virtual town hall meetings, providing constructive feedback and raising their concerns. Councillor Fonseca thanked Chrystyna Kells for sharing her perspective on this project. Councillor Fonseca thanked staff who worked with the Councillors and the community. Councillor Fonseca noted that, at the onset of this project, it was communicated to staff that residents be informed and given an opportunity to participate in a design vision for Bloor Street and that a third town hall meeting be scheduled to address concerns from the perspective of all road users through the vision zero principles.

Councillor Fonseca requested that direction be given to staff to provide, at the third town hall meeting, alternative designs that address all the concerns raised, to ensure safety for all road users and business owners fronting onto Bloor street.

7.6 Brennan Bempong, Resident with respect to Motion on Bill 21

Item 16.1.

Brennan Bempong noted that an Anti-Muslim and racism Resolution 0154-2021 was passed by Council, that speaks to providing funding to improve relations among groups of diversity and suggested that funds from this grant be utilized towards the legal challenge against Bill 21, and Mr. Bempong further noted that the City of Mississauga has an opportunity to show solidarity and support for the community by contributing to this legal challenge.

The following agenda items were moved up for receipt:

Item 15.1.5. - 15.1.8. - Correspondence

Item 16.1 was brought forward for discussion.

Councillor Saito spoke to the Motion noting that the City of Mississauga has stated strongly their position against Bill 21; however, the Motion does not recommend that funds from taxpayers be sent to private organizations to fund a court case against another level of government, noting that this is the responsibility of the federal government, and further stated that under the *Municipal Act* funds are not to be used for that purpose unless it meets certain criteria. In addressing Mr. Bempong's suggestion of the funds from the Anti-Racism grant, Councillor Saito advised that those funds are to be used for supporting and protecting local diversity initiatives and issues in the City of Mississauga or by extension in the province of Ontario. Councillor Saito stated the Members of Council are prepared to support fundraising efforts made by organizations within our communities in support of the legal challenge.

Councillor Mahoney, spoke to the Motion and expressed serious concern with Bill 21. Councillor Mahoney supports fundraising initiatives to support the legal challenge; however, providing taxpayers fund to support Bill 21's legal challenge is not appropriate.

Councillor McFadden noted that after further discussions and feedback received from the community, she would not be bringing forward an amending Motion to support funding the legal challenge and advised that she would support the Motion as presented with regrets.

Councillor Parrish explained the rationale to not support funding the legal challenge; however, should this matter proceed to the Supreme Court, it could have an impact on every province at which point we must challenge.

Councillor Saito expressed thanks to the Mayor and her staff for collaborating on the Motion.

Councillor Starr arrived at 10:40 AM

8. PUBLIC QUESTION PERIOD - 15 Minute Limit

No members from the public registered to speak.

9. MATTERS PERTAINING TO COVID-19

In response to Councillor Saito's request for an update on the status of our community services and outside staffing resources, Jodi Robillos, Commissioner, Community Services advised that community centres are temporarily closed in accordance with Ontario Regulations and is awaiting further information from the province on the reopening dates and services permitted to reopen.

Geoff Wright, Commissioner, Transportation and Works, advised that most of the absenteeism relating to COVID-19 were in the transit operations and as a result, there were temporary service adjustments implemented, on January 7th and further, service interruptions on the 17th as a result of the winter storm.

16.1 A Motion Opposing Quebec Bill 21 (Councillor P. Saito)

See Item 7.6 for discussion on Item 16.1.

RESOLUTION 0001-2022

Moved By Councillor P. Saito

Seconded By Councillor M. Mahoney

WHEREAS the City of Mississauga is troubled by the removal of a Grade 3 elementary school teacher from her classroom in Chelsea, Quebec recently for wearing a hijab to work.

AND WHEREAS the City of Mississauga denounces Quebec's Bill 21 as discriminatory, offensive and feel it runs contrary to who we are as Canadians and residents of Mississauga. The City of Mississauga embraces and celebrates its diversity and believes in the civil rights and religious freedoms guaranteed to everyone in Canada's Charter of Rights and Freedoms.

AND WHEREAS Ontario's Big City Mayors (OBCM), of which Mississauga is a member, voted unanimously in opposition to Quebec's Bill 21. Further, OBCM calls on all Members of the Parliament to support the challenge of Bill 21 at the Supreme Court.

AND WHEREAS, the City of Mississauga passed Resolution 0229-2019 in October 2019, unanimously approving a motion opposing the Province of Quebec's Bill 21 (An Act Respecting the Laicity of the State) which prohibits public servants from wearing religious symbols including turbans, hijabs, yarmulkes, crosses and many others;

AND WHEREAS the Council of the City of Mississauga passed Resolution 154-2021 in June 2021, 207-2020 in June 2020, which recognizes that discrimination, racism and xenophobia, in particular, Islamophobia and anti-Black racism is a crisis that requires immediate action; and has undertaken actions to address systemic racism and discrimination against ethnic groups, Indigenous Peoples, and Black communities.

AND WHEREAS Cities are closest to the people and those elected to represent them play an important role in advocating on their behalf to ensure their rights and freedoms guaranteed under the Constitution are protected.

AND WHEREAS this City's motion should not be viewed as an attack towards our fellow Quebec leaders but rather a peaceful protest against a misguided law that unfairly infringes on the religious rights of Canadian minorities.

THEREFORE BE IT RESOLVED THAT:

1. The City of Mississauga Council endorse the current legal challenge against the Province of Quebec's Bill 21 - An Act respecting the laicity of the State, an effort that is being led by the National Council of Canadian Muslims (NCCM), the World Sikh Organization of Canada (WSO) and the Canadian Civil Liberties Association (CCLA).
2. The Mayor and Council write a letter to the Prime Minister of Canada and all federal parties urging their support to intervene in the legal challenge at the Quebec Court of Appeal. If the case moves to the Supreme Court and if an improper decision is made, it would impede upon the advancements we have made on diversity, equity and inclusion for all Canadians.
3. The City of Mississauga continue to invest in supporting local diversity and inclusion initiatives including promoting the existing City grant that will be dedicated to building community capacity on anti-racism/anti-hate in 2022.
4. The City of Mississauga encourage the community to engage in fundraising in support of the legal challenge.

16.2 A Motion that no further consideration be given to the renaming of Dundas Street in Mississauga (Councillor C. Parrish)

Councillor Saito spoke to the Motion and requested that the Motion be deferred to another meeting date to provide residents time to provide their feedback.

Councillor Parrish spoke to the Motion advised that she has received community feedback that no funds be spent on renaming Dundas Street in Mississauga, and would prefer the matter proceed as tabled.

Councillor Saito withdrew her Motion to defer the matter.

RESOLUTION 0007-2022

Moved By Councillor C. Parrish
Seconded By Councillor G. Carlson

WHEREAS the interpretations of history - particularly of the motives and accomplishments of historical figures - are open to controversy and misinterpretation, especially when viewed through a modern lens;

AND WHEREAS the matter of the renaming of Dundas Street has elicited thoughtful scholastic responses in support of the historical role played by Henry Dundas, concern over the costs and disruption associated with changing the name of Dundas Street in Mississauga and almost no support for changing that name;

AND WHEREAS the most valuable lessons to be learned from the street naming controversy are: look forward, formulate naming policies that meet the tests of an equity, diversity and inclusionary lens and produce criteria that will stand the test of time;

THEREFORE BE IT RESOLVED:

No further consideration be given to the renaming of Dundas Street in Mississauga.

- 16.3 A Motion Bill 54, with respect to the Vulnerable Road Users Act, and the changes the Bill proposes to the Highway Traffic Act (Councillor P. Saito) (CONSENT)

RESOLUTION 0006-2022

Moved By Councillor P. Saito
Seconded By Councillor S. McFadden

WHEREAS Bill 54, the *Vulnerable Road Users Act* was ordered referred to the Standing Committee on Justice Policy at the Provincial Legislature prior to moving to Third Reading;

AND WHEREAS Bill 54 proposes amendments to the *Highway Traffic Act* including:

- The legal consequences of a collision that results in the serious injury or fatalities of a pedestrian, a cyclist, a mobility device user, a roadway worker, an emergency responder outside their motor vehicle or another individual listed in the Bill.
- The driver who caused the injury or death is guilty of an offence if they caused it by breaking one of the rules of the road listed in the Bill. The listed rules include rules about unlicensed drivers, driving while intoxicated, driving while using a cell phone,

speeding, careless driving, disobeying signs or lights at intersections or pedestrian crossings, proper signalling, sharing the road, safety near emergency vehicles, safely opening car doors, and other rules.

- A driver convicted of the offence is subject to the consequences for breaking the rule, and to a mandatory probation order. The order will require the driver to take a driving instruction course and perform community service. The community service must include activity related to improving driving safety and public education on driving safety. Their driver's licence will be suspended during the probation;

AND WHEREAS Mississauga Council passed Resolution 0045-2018 to adopt the "Vision Zero" framework where no loss of life is acceptable and to continue to work and share resources with agencies, stakeholders and the Road Safety Committee to protect vulnerable road users and prevent fatal and serious injury causing motor vehicle collisions in Mississauga;

AND WHEREAS Vision Zero is an approach to transportation planning that fundamentally reimagines the way road safety is approached with the ultimate objective of eliminating fatalities and serious injuries on roadways;

AND WHEREAS the City continues to advocate for Provincial leadership as it relates to Vision Zero and protecting vulnerable road users;

AND WHEREAS citizens are injured and killed on Mississauga roadways as a result of collisions each year;

THEREFORE BE IT RESOLVED that:

1. The City of Mississauga Council endorse Bill 54, the *Vulnerable Road Users Act*, and the changes the Bill proposes to the *Highway Traffic Act* in order to protect road users in Mississauga and across Ontario;
2. The Mayor and Council write a letter to the Honourable Minister of Transportation Caroline Mulroney in support of the changes proposed in Bill 54 – Vulnerable Road Users Act; and
3. That the letter encourage the Honourable Minister of Transportation and the Province to prioritize the Standard Committee on Justice Policy review and Third Reading of Bill 54, with the aim of passing the bill during the current Legislative session

17. MOTIONS

17.1 To express sincere condolences to the family of Ian Baker, retired City of Mississauga employee, who passed away on November 5, 2021

Councillor Fonseca expressed condolences to the Baker family.

RESOLUTION 0007-2022

WHEREAS the Mayor, Members of Council and staff at the City of Mississauga are saddened to learn of the passing of Ian Baker, retired Records Management Assistant, on Friday, November 5, 2021.

AND WHEREAS Ian worked for the City of Mississauga for 15 years before retiring in 2018.

AND WHEREAS Ian was a very dedicated employee and a valued member of the Records Management team.

NOW THEREFORE BE IT RESOLVED that sincere condolences be extended on behalf of the Mayor, Members of Council and staff of the City of Mississauga to the Baker family.

17.2 A Motion to Address Winter Maintenance Service Levels (Councillor C. Fonseca)

Councillor Fonseca passed the Chair Role to Councillor Kovac in order to speak to the Emergency Motion.

Councillor Fonseca expressed thanks to all staff that supported and responded to residents and businesses with this extreme storm, and noted that this Motion is not to reflect negatively on the response of staff but rather to identify the service level improvements necessary to address events such as the one experienced on Monday, January 17th and the snow fall on the next day.

Geoff Wright, Commissioner, Transportation and Works commented on the record snow fall, service level response and acknowledged the frustration of residents on secondary streets that were impacted. Scott Holmes, Senior Manager, Works Operations, provided an overview of the response to the snow removal on priority streets, secondary roads, windrows and sidewalks as well the issues encountered with parked vehicles on the roads and continued snow removal efforts.

Councillor Saito requested staff prepare a response for Councillors to provide to the residents when they've been contacted.

Members of Council commented on the record snow fall; provided details of roads that remain untouched, while other neighbouring streets have been cleared and had plows attend twice; sidewalks that remain snow covered; reported numerous calls and emails

to their offices from residents frustrated with the lack of snow clearing on their street and lack of communication to the residents and unclear messaging of expected service levels.

In response to Councillor Ras' inquiry regarding whether this Motion would hinder or improve operations, Scott Holmes, and Mickey Frost, Director, Works Operations, advised that although this Motion would not have any impact on the current clean up from the storm, it would hinder operations for the future.

Councillor Fonseca clarified that her Motion is specifically to address this weather event.

In response to Councillor Carlson's inquiry on the process to respond to situations outside of the normal process, Geoff Wright, Commissioner, Transportation and Works, and Scott Holmes explained the services level response process.

In response to Councillor Parrish's request for clarification on whether the Motion applies to the current snow fall event or future events and whether staff agree or disagree with the Motion, Geoff Wright, Commissioner, Transportation and Works understands that this Motion is being passed to address this storm event and that future events would follow regular service level processes, and future extreme events occur, staff would come back to Council for further discussion and direction.

Mayor Bonnie Crombie arrived at 12:00 PM

RESOLUTION 0008-2022

Moved By Councillor C. Fonseca
Seconded By Councillor S. Dasko

Whereas on January 17th, 2022 the City of Mississauga experienced an extreme winter storm event that left 45cm of heavy snow with significant impact to our City streets and neighbourhoods.

Whereas the current City of Mississauga Winter Maintenance Service Levels are not prepared for an extreme storm event such as the one impacting the City of Mississauga on January 17th 2022.

Whereas this extreme weather event has left residents stranded in their homes, not able to get to work, medical appointments, school or get out to care for loved ones and have had home, health care services cancelled.

Whereas a “back to back” weather event announced on the evening of January 18th, 2022 “reset” the Winter Maintenance Service Levels to an additional push back of secondary street priority.

Whereas in this “back to back” reset, priority streets, that, for the most part, are clear, whereas the secondary streets continue to be left behind,

Therefore be it resolved that Council immediately override our “back to back weather event, reset” service levels to have our winter maintenance staff service and clear out all secondary streets in the City of Mississauga for this specific weather event.
