

City of Mississauga
Memorandum

Date: March 3, 2022
To: Chair and Members of Heritage Advisory Committee
From: Paul Damaso, Director, Culture Division
Meeting date: April 12, 2022
Subject: **1390 Captain Court (Ward 2)**

This memorandum and its attachment are presented for the Heritage Advisory Committee's information.

Section 7.4.1.12 of the Mississauga Official Plan states that: "The proponent of any construction, development, or property alteration that might adversely affect a listed or designated cultural heritage resource or which is proposed adjacent to a cultural heritage resource will be required to submit a Heritage Impact Assessment, prepared to the satisfaction of the City and other appropriate authorities having jurisdiction."

The subject property is adjacent to Rattray Marsh, which is currently listed on the City's Heritage Register. The property contains a totem pole. Staff requested that the totem pole be researched to determine its authenticity. As little information was discovered and its condition is deteriorating, the proponent recommends that it be allowed to fall and return to the earth as per traditional practice.
