Winter Edition, March 2022

A newsletter for the Mississauga School Walking Routes Program

February is Winter Walk Month

Don't hibernate, celebrate! *

Getting outside in winter takes some planning- it takes extra time to put on all our winter gear!- but it is well worth the effort. Walking and rolling to school and around your neighbourhood in the winter months brings all the usual benefits of walking (e.g. exercise, socializing), plus unique experiences. Can you:

- Hear the crunch of your boots in the snow?
- See the snow on the trees, or icicles on buildings?
- Feel your body warming up as you move?

Champlain Trail PS Community Winter Walk.

Spotlight: Champlain Trail Public School

On January 15, families from this school community shared their stories about walking to school and learned some history of their community on a Community Storytelling Walk. We walked along designated School Walking Routes, sipping on hot chocolate as we went! Thanks to all who joined us.

Winter Safety Checklist *

- **Dress warmly:** Wear layers, and bundle up with a hat, scarf, mittens, jacket, snow pants and boots.
- **Take your time:** When crossing the road where there are snow banks, step out slowly to make sure cars can see you and are able to stop.
- **Let the City know:** If sidewalks and paths along your route to school are icy or covered in snow, call 311.

How will your school celebrate? *

Register your participation in Winter Walk Month for a chance to win a \$200 Scholar's Choice gift card! ontarioactiveschooltravel.ca/winter-walk-day

All Schools: Webpage

- **Will go live by next week!**
- Program Description
- Central place to display program resources (e.g. maps and Traffic Safety Times newsletters) and links to external related resources

The screenshot displays the Mississauga website interface. At the top, there is a blue header with the Mississauga logo and name on the left, a search bar on the right, and a navigation menu with the following items: Services and programs, Council, Our organization, Events and attractions, and Projects and strategies. Below the header, a breadcrumb trail reads "Home / Council / Committees". The main content area features the title "Traffic Safety Council" followed by a description: "The Traffic Safety Council evaluates and recommends actions to improve the safety of students along their routes to school." Below this is a section titled "Agendas and minutes" with the text "Access recent agendas and minutes in the Council and Committees calendar." and a blue button labeled "View Agendas and Minutes". To the right of the main content is a "Related" section with four links: "Terms of Reference for Traffic Safety Council", "School Safety Patrol program", "International Walk to School Day", and "Citizen appointments on committees".

Current Program Schools: Participant Recap

- Winter/spring cohort schools to receive invites by end of this week
