Recommendation

That the report dated May 6, 2022, from the Commissioner of Planning and Building regarding the applications by 1303 Lakeshore Road E Limited to permit a 10 storey rental apartment building, under File OZ/OPA 21-20 W1, 1303 Lakeshore Road East, be received for information.

Background

The applications have been deemed complete and circulated for technical comments. The purpose of this report is to provide preliminary information on the applications and to seek comments from the community. The report consists of two parts, a high level overview of the applications and a detailed information and preliminary planning analysis (Appendix 1).

PROPOSAL

The official plan amendment and rezoning applications are required to permit a 10 storey rental apartment building with 169 dwelling units. The applicant is proposing to amend the Official Plan from **Mixed Use** to **Residential High Density** to permit the residential only rental apartment building. The zoning by-law will also need to be amended from **C4** (Maintstreet Commercial) to **RA3- Exception** (Apartments - Exception) to implement this development proposal.

During the ongoing review of these applications, staff may recommend different land use designations and zoning categories to implement the proposal.

Comments

The property is located on the east side of Fergus Avenue, north of Lakeshore Road East within the Lakeview Neighbourhood Character Area. The site is currently occupied by a two storey motel with surface parking. There are existing 7 to 16 storey apartment buildings, east and west of the property and low rise residential uses to the north with some industrial/commercial uses backing onto the railway corridor. The south side of Lakeshore Road East also contains manufacturing and commercial uses.

LAND USE POLICIES AND REGULATIONS

The *Planning Act* allows any person within the Province of Ontario to submit development applications to the local municipality to build or change the use of any property. Upon submitting all required technical information, the municipality is obligated under the *Planning Act* to process and consider these applications within the rules set out in the Act.

The *Provincial Policy Statement* (PPS) establishes the overall policy directions on matters of provincial interest related to land use planning and development within Ontario. It sets out province-wide direction on matters related to the efficient use and management of land and infrastructure; the provision of housing; the protection of the environment, resources and water; and, economic development.

The *Growth Plan for the Greater Golden Horseshoe* (Growth Plan) builds upon the policy framework established by the PPS and provides more specific land use planning policies which support the achievement of complete communities, a thriving economy, a clean and healthy environment and social equity. The Growth Plan establishes minimum intensification targets and requires municipalities to direct growth to existing built-up areas and strategic growth areas to make efficient use of land, infrastructure and transit.

The *Planning Act* requires that municipalities' decisions regarding planning matters be consistent with the PPS and conform with the applicable provincial plans and the Region of Peel Official Plan (ROP). Mississauga Official Plan is generally consistent with the PPS and conforms with the Growth Plan, the *Greenbelt Plan*, the *Parkway Belt West Plan* and the ROP.

Conformity of this proposal with the policies of Mississauga Official Plan is under review.
