

# 2019-2022 Environmental Action Committee Work Plan

WORK PLAN ITEM	ACTION FOR EAC MEMBERS	TIMING	PROGRESS <i>Action Taken or Date Completed</i>
<p><b>Climate Change</b></p>	<p>Support approval and implementation of the Climate Change Action Plan.</p>	<p>Ongoing</p>	<p><b>May 29, 2019</b></p> <p>At the May 29, 2019, General Committee meeting, students from Camilla Road Senior Public School requested the City of Mississauga declare climate change an emergency. The following recommendation was issued;</p> <p><i>That a motion provided by the students of Camilla Road Senior Public School regarding the City of Mississauga declaring climate change an emergency be referred to the Environmental Action Committee for further consideration. <b>GC-0306-2019</b></i></p>
			<p><b>June 11, 2019</b></p> <p>Referred from the May 29, 2019 GC meeting, the Eco Team Students from Camilla Road Senior Public School provided an overview on the crisis surrounding climate change and requested that the City of Mississauga declare a Climate Emergency at the June 11, 2019 EAC meeting. The following recommendation was issued;</p> <p><i>That the Environmental Action Committee supports Camilla Road Sr. Public School Eco Team's position that the City of Mississauga will declare a Climate Emergency and create an action plan to help achieve net zero emissions and increased renewable energy by 2050. <b>EAC-0016-2019</b></i></p>
			<p><b>June 19, 2019</b></p> <p>At the June 19, 2019 Council, the following EAC-0016-2019 recommendation was amended and approved as;</p> <p><i>Climate change is a real and urgent crisis, driven by human activity that impacts the environment, biodiversity, human health and the economy.</i></p> <p><i>The City of Mississauga is committed to taking action on climate change, therefore the City of Mississauga declares a climate emergency and direct staff to develop and bring forward a climate change action plan to Council for approval by the end of 2019.</i></p> <p><i>That the students of Camilla Road Senior P.S. be thanked for their initiative on this matter.</i></p> <p style="text-align: right;"><b>0149-2019</b></p>
			<p><b>July 9/2019</b></p> <p>Deep dive discussion surrounding the Climate Change Action Plan with the EAC Members gaining insightful comments and feedback for consideration during the finalization of the overall plan.</p>
			<p><b>July 25/2019</b></p> <p>The Climate Change Stakeholder Panel workshop was held, where several EAC Members participated. Comments received at this workshop were incorporated in the draft Climate Change Action Plan (CCAP). The updated CCAP will go to Council at the September 18th meeting for information. If public consultation for this draft CCAP is approved by Council at this meeting, public consultations will run from Mid-September to October.</p>

# 2019-2022 Environmental Action Committee Work Plan

<b>Climate Change</b>	Support approval and implementation of the Climate Change Action Plan.	Ongoing	<b>Sept. 9/2019</b>	The Corporate Green Building Standard for New Construction and Major Renovations Building Projects takes into account the Climate Change Action Plan to reach 80% GHG Reduction by 2050.
			<b>Sept. 19/2019</b>	An email was sent to EAC Members to share public consultation opportunities (e.g., open houses, survey) for the draft Climate Change Action Plan. Consultation opportunities available between September 18, 2019 and October 18, 2019.
