That the report dated May 27, 2022, from the Commissioner of Planning and Building regarding the applications by 128 Lakeshore Road East LP to permit an 11 storey condominium apartment building containing 42 units and commercial uses at grade, under File OZ/OPA 22-5 W1, 128 Lakeshore Road East, be received for information.

Background

The applications have been deemed complete and circulated for technical comments. The report consists of two parts, a high level overview of the applications and a detailed information and preliminary planning analysis (Appendix 1).

PROPOSAL

The official plan amendment and rezoning applications are required to permit an 11 storey condominium apartment building containing 42 units and commercial uses at grade. The applicant is proposing to amend the height schedule in the Port Credit Local Area Plan to permit an additional 8 storeys above the maximum building height of 3 storeys. The zoning by-law will also need to be amended from **C4** (Mainstreet Commercial) to **C4-Exception** (Mainstreet Commercial – Exception) to implement this development proposal.

During the ongoing review of these applications, staff may recommend different land use designations and zoning categories to implement the proposal.

Comments

The subject property is located at the northwest corner of Lakeshore Road East and Ann Street within the Mainstreet Node Precinct of the Port Credit Community Node. The property is currently occupied by a two storey funeral home (Skinner & Middlebrook Funeral Home) and associated surface parking.

LAND USE POLICIES AND REGULATIONS

The *Planning Act* allows any person within the Province of Ontario to submit development

applications to the local municipality to build or change the use of any property. Upon submitting all required technical information, the municipality is obligated under the *Planning Act* to process and consider these applications within the rules set out in the Act.

The *Provincial Policy Statement* (PPS) establishes the overall policy directions on matters of provincial interest related to land use planning and development within Ontario. It sets out province-wide direction on matters related to the efficient use and management of land and infrastructure; the provision of housing; the protection of the environment, resources and water; and, economic development.

The *Growth Plan for the Greater Golden Horseshoe* (Growth Plan) builds upon the policy framework established by the PPS and provides more specific land use planning policies which support the achievement of complete communities, a thriving economy, a clean and healthy environment and social equity. The Growth Plan establishes minimum intensification targets and requires municipalities to direct growth to existing built-up areas and strategic growth areas to make efficient use of land, infrastructure and transit.

The *Planning Act* requires that municipalities' decisions regarding planning matters be consistent with the PPS and conform with the applicable provincial plans and the Region of Peel Official Plan (ROP). Mississauga Official Plan is generally consistent with the PPS and conforms with the Growth Plan, the *Greenbelt Plan*, the *Parkway Belt West Plan* and the ROP.

Conformity of this proposal with the policies of Mississauga Official Plan is under review.

Additional information and details are found in Appendix 1, Section 4.
