8. PUBLIC QUESTION PERIOD - 15 Minute Limit

1. Natalie Half, Resident spoke to Item 10.3 and enquired about what accountability measures are in place and who is accountable. Ms. Half also enquired about when

funding is provided by higher levels of government, is there any requirement for outcomes to be achieved. Matthew Sweet, Manager, Active Transportation responded that City staff are accountable through the works and progress reports, which provide updates on the projects in progress and that is how staff report through senior management to Council. Councillor C. Fonseca requested that Ms. Halff follow-up with Mr. Sweet offline with further questions

2. Rahul Mehta, Resident spoke to Item 10.3 and enquired about where the public can find annual information on total cycling infrastructure built across all departments and total money spent, in comparison to the targets of the Cycling Master Plan? Mr. Mehta further enquired about where the public can find information on the methods and thresholds of public engagement by which cycling infrastructure is approved by Council. Mr. Sweet responded that the City's website provides the construction plan and activity, current construction progress, and work by work summaries. Mr. Sweet further noted that staff completes public annual report cards on the cycling master plan with info-graphics, which includes total kilometres and dollars. Councillor C. Fonseca spoke to public engagement and noted that the public can provide feedback at <https://yoursay.mississauga.ca/>. Councillor C. Fonseca advised that Mr. Mehta follow-up with Mr. Sweet offline with further questions.
3. Jonathan Giggs, Resident spoke to Item 10.3 and enquired if the Network and Technical Subcommittee had been consulted on the Bloor Street Integrated project and requested to provide advice. Mr. Giggs further enquired if the Committee would pass a motion to advise Council with their recommendations for this project. Councillor C. Fonseca directed staff to follow-up with a written response.
