

A MOTION IN SUPPORT OF DRY CLEANERS

WHEREAS the City of Mississauga is home to over two-hundred dry cleaners, of which combined employ thousands of Mississauga residents;

WHEREAS the City of Mississauga is a significant provider of businesses associated with the fabricare industry;

WHEREAS many businesses have endured economic hardship due to the societally negative effects of the pandemic;

WHEREAS dry cleaning businesses, on average, have experienced a considerable decline in their sales locally and nationally, with many locations having been closed down as a result;

WHEREAS the dry cleaning industry once thrived and is now in desperate need of community support and revitalization;

THEREFORE BE IT RESOLVED

That the Council of the City of Mississauga extends its support to members of the dry cleaning community by acknowledging the hardship suffered but rallying behind their *"Get Close With Your Cleaner Again"* industry campaign; and further,

That the Council of the City of Mississauga connects with their counterparts at the Federal and Provincial levels, local-area MP's and MPP's included, and calls upon them for their support of this campaign and for their further assistance where possible.
