5	Councillor's Report <ul style="list-style-type: none"> • Lakeshore connecting community plan. Been sounding the alarm since the original proposal as it was not kind. Need to get everyone's voices heard. • Port Credit pedestrian bridge into the program. The cycling bridge made it through the environmental assessment process. Going with an upgraded bridge from a modular one. • The bridge from the train removes 17 parking spots from the Legion. Modern design would only remove two parking spots from the legion. 	

	<ul style="list-style-type: none"> • Should be able to break ground on it sometime next year. • They had it as a loose budget item for 2041 until Councillor Dasko was pushing for it. Along with the BIA and TOPCA. • The Stavebank wall project is back on. Gone through all City Departments, and had the last department sign off on that. Spoke to Frank Giannone, Edenshaw, and Peel Chrysler are the key groups for it. We have \$20,000 set aside for both projects along with LCBO wall. • At night going to have artistic projects shown on the wall. Going to be still images with local and indigenous artists. • Memorial park, seeing if there is an interest for an artificial skating track that people can go around. Councillor Dasko will keep working on that. • Farmers Market, Ray Marentette will not be doing the bicycle valet. Gets some support from the city for that. Would hate to see him go and the valet program go. <p>Action:</p> <ul style="list-style-type: none"> • Stephen Dasko to reach out to Frank Giannone to connect with Natasha. • Dianne to reach out to Stephen Dasko regarding Farmers Market bike valet.

6	<p>Chair’s Report – John Pappas</p> <ul style="list-style-type: none"> • Need to figure out how to proceed next with regards to the Lakeshore Transportation Studies following their presentation. Should get started on a town hall. • The PCBIA meeting is scheduled for this week because staff and I attended the OBIAA conference last week. Had a chat with Jamie Bay, Clarkson BIA chair and going to look into how we can collaborate with the Clarkson BIA on the Lakeshore Transportation Study. • Everyone should be treated with respect and it is all about the people when working for a BIA. <p>Action:</p> <ul style="list-style-type: none"> • Stephen Dasko to reach out to Clarkson Council member. <p>Upcoming Events:</p> <ul style="list-style-type: none"> • Port Credit Farmers Market every Saturday starting from June 4th until October 8th. • Paint the Town Red on July 1st. • Vegfest on June 23rd. • The Hazel McCallion Walk for Health on Sunday June 5th, at Port Credit Memorial Arena.

7	<p>Committee Reports</p> <p>Financials – Brenda McGarrell</p> <ul style="list-style-type: none"> • See Financial report. • We continue to spread the Municipal Levy as income - monthly- not to skew numbers each month. • Deferred income - Balance Sheet 2nd page - details Levy and Grants to come at March 3/22. • We continue to credit the Under Levy repayment monthly - as was over estimated 2022 Budget. • We received March 3/22- Post Billing Tax Adjustments - City Revenue & Taxation Statement – Tax Cancellations, Net Adjustments for our BIA - & once end of year numbers known - taken into account for next years Under Levy Budget planning. • Scotia Bank Balance healthy - Leaves the BIA in Good financial standing. • Discussions underway for short-term interest. • After reviewing the Financial Statements, if any questions, kindly advise, Brenda will have reviewed and answer any questions.. • Doing lump sum monthly. The PCBIA have split the levy up each month, otherwise it would skew the numbers.
---	---

- Doing the underlevy monthly as well. It was far less than anticipated. We based it off previous years and was far less.
- Our budget moved up many months. Skewed up all the levies.

Advocacy - John Pappas | Natasha MacKinnon

- See Advocacy committee report.

Discussion

- It is a street vibrancy issue. It is the whole streetscape.
- We are well informed right now in the steps of the process. We don't even want it to get that far to get voted on by councillors.
- Nothing is currently funded right now. Now is the time to get all the stuff done and have our voices being heard and advocate.
- Port street is a wide road because it was designed for ships. One of the widest in the roads.

Sponsorship – Ric Cooper | Natasha Mackinnon

- See Sponsorship committee report.

Brenda McGarrel made a motion to allocate \$3,000+HST under event and campaigns to Music at Port St.
Seconded by Ann Ivy Male.
All in favor.

Julia Chatterji made a motion to allocate \$5,000 to VegFest.
Seconded by Brenda McGarrel.
All in favor.

Discussion

- It was a no from Sponsorship, and it was also no from Marketing for Stephen Uhraney. Going to be a no from the BIA.
- Contact photography festival sponsored by Scotiabank in Toronto.
- One of the points of contention was that it was his show. People can't assume they will get funding from us.
- It was one person promoting himself and didn't meet the criteria for Marketing or Sponsorship.
- Would be great to have at various locations in Port Credit like the FRAM building and Archtop.
- Potentially in May 2023, especially since we lost the Waterfront festival. Could potentially get tourism funding as well.
- Buskerfest to present proposal for 2023.

- Brenda would like to see a large flag pole.
