Subject: Heritage Advisory Committee: July 26 Correspondence Submission
Date: July 15, 2022 4:30:18 PM

Good afternoon Martha,

I'm emailing with a correspondence / request to add an item to the Heritage Advisory Committee agenda for the upcoming July 26th meeting.

HAC Invitation: "Ten West" Site Visit

FRAM + Slokker and ERA Architects would like to invite the Heritage Advisory Committee to join us to tour FRAM's proposed "Ten West" development site, on the block between Ann St, High St E, Park St E and Hurontario St, in Port Credit.

There are two designated properties and one listed property on the site, and we understand that there is great interest in the plans for those heritage properties. In advance of finalizing a Heritage Impact Assessment for this development, we would welcome the opportunity to share the proposal and hear directly from the HAC on a site walk-through in early August.

We are currently available to host a site tour on Tuesday August 2nd or Wednesday August 10th, any time before 3pm. If other dates or timing are preferable for the HAC, we're available to work together to figure out an appropriate alternative.

We hope you'll consider this invite at your July 26 HAC meeting, and we look forward to meeting and discussing with you later this summer. For questions or to coordinate, please contact Emma Abramowicz at ERA (emmaa@eraarch.ca).

Martha, please let me know if there's anything you need from me in order to include the above item as correspondence on the July 26 agenda.

Thank you so much,
Emma
