Subject

Tax Adjustments pursuant to Section 357 of the Municipal Act

Recommendation

That the tax adjustments outlined in Appendix 1 of the report of the Commissioner of Corporate Services and Chief Financial Officer dated July 21, 2022 entitled Tax Adjustments pursuant to Section 357 of the Municipal Act, be approved for cancellation, reduction or refund of taxes.

Background

Section 357 of the *Municipal Act, 2001, S.O. 2001, c.25* allows a property owner or the Treasurer to make an application for the cancellation, reduction or refund of taxes for a number of specific reasons. Taxes may be adjusted when a building has been demolished or razed by fire or if a property has become exempt, changed class or has been overcharged by reason of gross or manifest error.

Comments

A total of 12 applications for tax adjustments have been prepared for Council's consideration.

The total cancellation or refund of taxes as recommended is \$ 23,051.87. Appendix 1 outlines the tax adjustments being recommended by property, reason and change in taxes.

Following Council's decision, a Notice of Decision will be mailed to all applicants and their taxes will be adjusted accordingly. If the applicant disagrees with the amount of the tax adjustment, they have 35 days from the date of the Notice of Decision to appeal Council's decision to the Assessment Review Board.

Financial Impact

The tax cancellation for the applications for tax adjustment is provided by year and by taxing authority in the table below. The City's portion of \$ 6,200.44 is within budget.
