Attention: City Clerk's Office

**Subject: Notice of Intention to Apply Non-Potable Ground Water Standards
51 & 57 Tannery Street, Mississauga, Ontario**

OHE Consultants has been retained by NYX Tannery LP, the property owner, to apply for a Record of Site Condition (RSC) for 51 and 57 Tannery Street in Mississauga, Ontario (the Property) in accordance with Ontario Regulation 153/04. The future intended use of the Property is a residential development consisting of townhouse units. The development will be serviced with municipally supplied water and no potable wells.

The purpose of this letter is to provide the City of Mississauga with written notice of OHE Consultant's intention to make use of non-potable ground water Standards, as listed in the Ministry of Environment, Conservation and Parks (MECP) document *Soil, Ground Water and Sediment Standards for Use Under Part XV.1 of the Environmental Protection Act*, dated April 15, 2011.

We request that a response be provided from the City of Mississauga, indicating whether there is any objection to the use of non-potable standards, and the reason if an objection is made. Should any additional information be required, please contact the undersigned. Thank you,
