---

Hi Reanne and Peter,

Councillor Fonseca would like to add this onto the TSC agenda to discuss if possible.

If you have any other questions and/or concerns please do not hesitate to ask.

Thank you,

**Diana Carella**

Executive Assistant to  
 Councillor Chris Fonseca, Ward 3

**Subject:** Children Safety

Dear Councillor,

I am writing this letter on the behalf of parents living in Ward 3 of Mississauga. The issues that require immediate attention are narrow school roads and limited school parking spaces, as they impact children and their safe passage from school.

This can be observed on 3545-3569 Havenwood Dr, during the end of school days. Due to very limited parking, parents that arrive in cars to pick their kids up, create serious traffic when they stop by sidewalks to wait for their kids. The cars keep on arriving from both directions and essentially block the narrow roadways, creating traffic jams in the process. Because of such inconvenience, many irritated drivers who try to pass through the blockade risk hitting pedestrians. I have already witnessed a near-collision accident, which is the reason I am writing this letter. The road is also perpendicular to Burnhamthorpe Road East and connects to Bloor St, making it a very busy passage. 3545-3569 Havenwood Dr has two schools right at its side, both next to each other, which are enrolling large numbers of students. With such circumstances, children in Glenhaven Sr. Public and St. Sofia schools are

endangered every time school ends and they are dismissed from classes.

I ask that you please review this issue as it is important to every parent, that their child is safe and has a good experience at their early stages of life. I also ask that you reply to this letter as soon as possible.

Sincerely,
