Why is the event deemed to be Municipal Significant?

Primo Fight Night 2 is an event under the supervision of Muay Thai Ontario (MTO), an amateur sports organization that provides Ontario athletes with support, development, education, and competition in the sport of Muay Thai. NAKA Muay Thai Academy is a certificated member of the MTO. And the founder Brimart Silathong, also the Vice-President of Culture & Heritage in the MTO, has significantly contributed to Ontario's Muay Thai industry since 2008.

Proudly collaborating with multiple gyms and athletes in the GTA area, our event aims to provide the best opportunity for amateur Muay Thai fighters and the best cultural experience for the audiences. In addition, the event will also work with the local Thai community to celebrate the Thai culture through music and performance.

Thank you so much for taking the time to read this letter, and please consider providing the city's endorsement for our Special Occasion Permit application. Our SOP application file number is 1812617.
