The following information outlines the purpose of the petition:

Purpose

This petition is a formal request from the residents living on and adjacent to Eglinton Ave requesting the speed limit be reduced from 60K to 50K on Eglinton Avenue between 9th Line and Winston Churchill. The rationale is that this section of Eglinton is a 100% residential area, with schools both north and south of Eglinton. The current amount of speeding is excessive posting a lower speed limit will help reduce the current high risk of accidents for both drivers and residents.

Asking Council For

Requesting the speed limit on Eglinton Ave between 9th line and Winston Churchill be reduced from 60k to 50k
