<p>TSC-</p>	<p>Elm Drive Public School</p>	<p>2. That Transportation and Works be requested to create a 30km/hr school zone on Central Parkway West between Joan Drive and Omeath Court for students attending Elm Drive Public School.</p> <p>3. That Transportation and Works review the feasibility of implementing a full signal at the intersection of the East Leg of Achill Crescent and Central Parkway West for students attending Elm Drive Public School.</p>	<p>2. Staff do not recommend the implementation of a 30 km/h speed limit on Central Parkway West as requested. Speed limits of 30 km/h are reserved for school zones on local/minor roadways located within local neighbourhoods. They are not appropriate for a 4 lane major collector roadway such as Central Parkway West. Assigning lower speed limits on roadways that are not designed to accommodate such speed limits would result in issues of noncompliance and could potentially lessen the overall level of safety for motorists and pedestrians. staff are currently in the process of reviewing all school zone speed limits within the City, with a report coming to Council in Q1 of 2023 that will make recommendations related to speed limits going forward. This will include our approach to school zones on collector and arterial roadways like Central Parkway West.</p> <p>3. Forwarded to Traffic Signals for review</p>
