

HERITAGE PERMIT SUBMISSION

Location: Streetsville Kinsmen Centre – 327 Queen Street South Mississauga Ontario L5M1M3

Scope of Work (SOW): Install a 270 degree IR security camera to the Northeast corner and a Cellular Antenna to the Southeast corner for remote connectivity.

Note: Both Stanley Security and WWE have been advised that there will be no drilling through the exterior brick, as brackets must be installed through the mortar.

Above marked with a red box is the location of the proposed camera.
