

# 1785 Bloor Street City of Mississauga

Planning and Development Committee  
Monday March 6, 2023

Item 6.1, File: OZ/OPA 22-014 W3

A tall, multi-story brick apartment building with several balconies is the central focus. To its right, a utility pole with multiple cross-arms and wires stands prominently. In the background, several bare trees are visible against a clear blue sky. The foreground consists of a grassy field. In the bottom right corner, a sign for a shared pathway is partially visible.

A proposal will be submitted to the City of Mississauga to redevelop the property at 1785 Bloor Street. The proposal will include the addition of one new rental apartment building. The existing apartment building will remain.

Some of the key changes proposed include:

- Addition of one new apartment building (10 and 14 storeys)
- Underground parking
- New bicycle parking
- New amenity areas and landscaping

A virtual community meeting will be held to discuss the proposed development at 1785 Bloor Street. Please see details on how to attend the meeting below.
