

MOTION – April 19, 2022

Moved by: Councillor Parrish

Whereas Henry Shook Clarkson, son of Clarkson Village namesake Warren Clarkson, built the Southern Ontario gothic style part of the house c.1860 at 1141 Clarkson Road North Ward 2; and

Whereas the Heritage Committee has unanimously recommended designation of the house under Part IV of the Ontario Heritage Act, for its associative and contextual value; and

Whereas once designated, alterations that retain the property's associative and contextual value may be considered by Council in consultation with the City's Heritage Advisory Committee; and

Whereas the current owner has applied to demolish the house for a development concept that merely replicates some features of the Heritage House:

Therefore be it resolved:

That the Heritage Advisory Committee oppose any demolition of the Henry Clarkson House, 1141 Clarkson Road North and that the current structure be incorporated into any new proposed development; and further

That City Council support the position of the Heritage Advisory Committee.
