New! Committee of Adjustment Appeal Process

The Province of Ontario recently passed a major housing bill – Bill 23, the More Homes Built Faster Act, 2022 – which has implications for how planning works in the City of Mississauga. One of the changes limits who is allowed to appeal decisions made by the Committee of Adjustment.

What's Changed?

The new legislation limits who is permitted to appeal decisions of the Committee of Adjustment to the Ontario Land Tribunal (OLT). Going forward, only the applicant, the municipality, certain public bodies and the Minister can appeal a decision to the OLT. Individuals are no longer permitted to do so.

That being said, individuals still have an opportunity to participate in the decision-making process by:

1. Making written or oral submissions to the Committee of Adjustment before it makes a decision. Your feedback helps ensure that the Committee of Adjustment is making its decisions in the public interest according to good planning principles.
2. If a Committee of Adjustment decision is appealed to the OLT, you can request participant status and make written submission to the OLT for consideration as part of the decision-making process. The OLT Citizen Liaison can help you better understand the rules, practices and procedures of the OLT and can be reached at OLT.CLO@ontario.ca.
