CITY OF MISSISSAUGA

To Whom It May Concern:

I am writing this letter to advise the city of Mississauga that Rose Events and Promotions will be having an indoor concert event at John Paul Polish Cultural Centre located at 4300 Cawthra Rd Mississauga ON L4Z 1V8 at Hall A and B (a deposit has been made). The expected attendance is between 400-500 people.

I have attached the concert flyer for further details. This concert will be held September 30, 2023 and alcoholic beverages will be sold along with non-alcoholic drinks and food.

We have a variety of cultures participating from Latin America such as Cuba, Colombia Venezuela, Ecuador, etc...

We hope to promote the music and food of these Latin American countries and hope that Mississauga residents can participate as all are welcome to experience Latin American culture in this very important event.

I thank you in advance for taking this event into consideration and making it of municipal significance. I have also attached the business registration.

Sincerely,

A handwritten signature in cursive script that reads "Carmen Ramirez".
