5.1 **Paramount Fine Foods Centre - Main Arena Renovation**

Sabrina Esser, Architect, of Brisbin Brook Beynon Architects discussed the renovations to the Paramount Fine Foods Centre on levels 1 and 2 which would include the box office and ticket windows, counter heights which would meet FADS guidelines, concourse concession accessible features, turning radius which meets OBC guidelines in retrofit situations, universal washrooms, standing and seating platforms on the second level which would have better site lines and seating configuration for wheelchairs in the Budweiser Club lounge and renovations to the counter height in the Bud Light lounge.

Subcommittee members inquired about three different counter height levels for accessibility, colour contrast, wayfinding and questioned the turning radius which does not meet FADS guidelines. Subcommittee members proposed a site visit when the project is complete.
