

EAC Circular Economy Initiatives

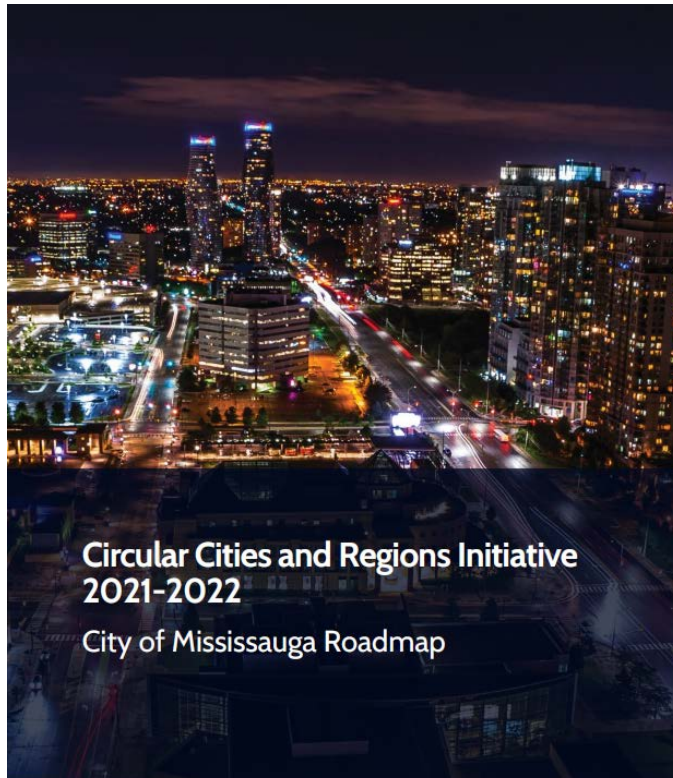

September 5, 2023

Presented by: Vasya Jeyakanthan

Waste Management Assistant

Circular Economy Roadmap Implementation

- Surplus city assets including office furnishing and branded textiles
- Special events organics
- Promoting local circular economy initiatives
- Recycling Collection Drive
- Repair and reuse events

Surplus Assets Solutions

- Internal tool supporting the Disposal of Surplus City Assets Policy
- Partnered with Operations at Living Arts Centre to divert assets from landfill by leveraging donation pathways strengthened through Central Library Renovation Project

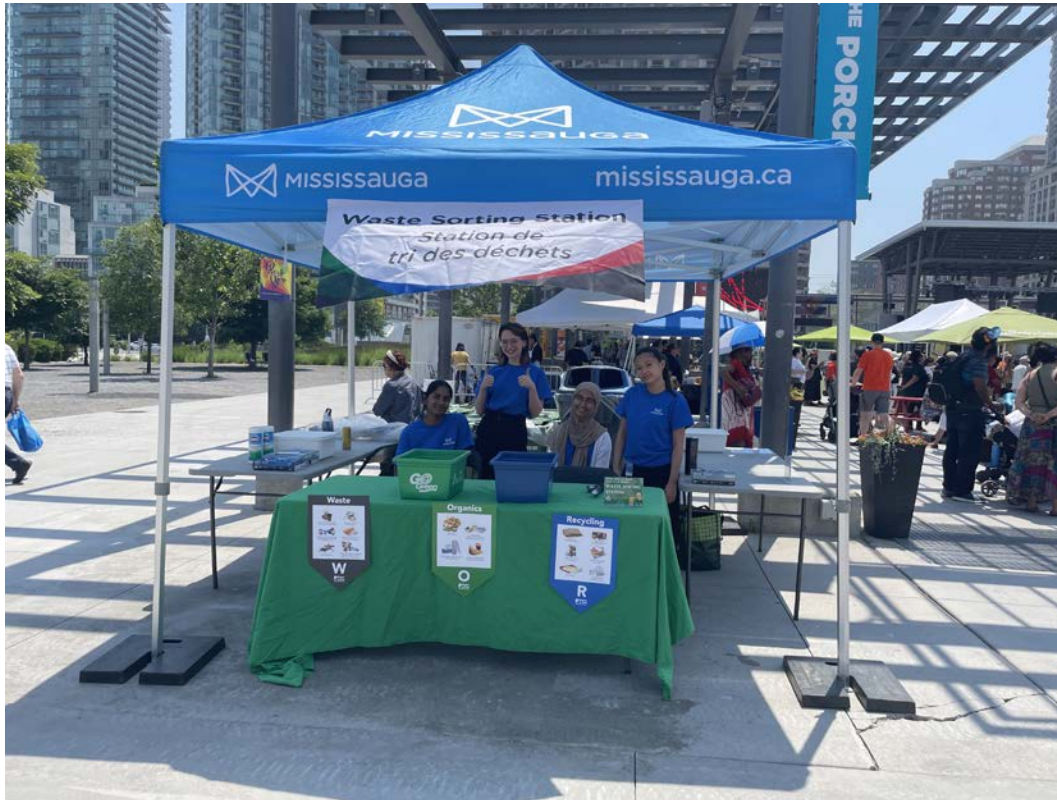

Diverted 7.3
metric tonnes to:

- Creative Zone
- Habitat for Humanity
- Newcomer Peel Centre

Special Events

- Providing waste sorting training and resources to organizers and volunteers
- Coordinating recycling and organics delivery with Peel Region
- Working with Culture to review Celebration Square waste management best practices to decrease contamination

Livable Cities Forum Study Tour

From Waste to Circular Economy:

In collaboration with Creative Zone and the Region of Peel's Fewster Community Recycle Centre
