From: John Dunlop, Manager, Indigenous Relations, Heritage & Museums
Meeting date: September 12, 2023
Subject: **1530 Outer Circle Road (Ward 6)**

The property located at 1530 Outer Circle Road (Ward 6) is listed on the City of Mississauga's heritage registry as it forms part of the University of Toronto at Mississauga (UTM) Cultural Heritage Landscape. The University is proposing a new building located on Outer Circle Road which is the main interior circulation route within campus.

The proposed building will be placed on vacant land and will be located on the north side of Outer Circle Road between the rear yards of the existing homes on Featherstone Court and west of Principal's Road. There is no demolition of an existing building to accommodate this development. The building will be placed in a small clearing and designed to feel connected to its wooded environment. There will be no negative impact to the heritage character of the campus.
