Re: Committee of Adjustment Minor Variance Application A687/22 at 995 Gardner Avenue

Dear Sir/Madam,

It has come to our attention that the public circulation for the September 7th hearing of the above noted matter did not meet the requirements of the Planning Act. As such the file shall be re-heard at the October 26th hearing date of the Committee of Adjustment.

Please find enclosed a copy of the new public notice, and please accept this letter as notice that the previous decision has been voided by the Committee.

The Committee of Adjustment will once again consider all of the evidence that was before it at the September 7th hearing date, as well as any new submissions made as a result of this recirculation. For information on how to submit materials for the Committee's consideration, or to register to speak at the hearing, please refer to the enclosed notice.

Please feel free to reach out by email (committee.adjustment@mississauga.ca) or telephone (905-615-3200 ext 2408) should you have any questions.

Sincerely,

Alexander Davies
Secretary-Treasurer
Committee of Adjustment
