

City of Mississauga
Memorandum

Date: October 16, 2023
To: Chair and Members of Heritage Advisory Committee
From: Nadia Paladino, Director, Parks, Forestry and Environment
Meeting date: November 14, 2023
Subject: **Britannia Farm 5490 Hurontario Street, Ward 5**

This memorandum and its attachments are presented for the Heritage Advisory Committee's information.

The above property is designated under Part IV of the Ontario Heritage Act. On October 4, 2023, the Conover barn suffered a catastrophic event and burned (Appendix 1). The remaining heritage structures on the property; the Gardner-Dunton House, the Britannia Farm House and the Britannia School House, were assessed as part of the Mobilinx Hazel McCallion LRT Line EA (Appendix 2). The HIA noted that the structures were in need of maintenance including rotting wood in window frames and doors and masonry work on chimneys and generally on several walls.

The HIA is brought back to HAC at the request of the committee for further review and discussion.

Attachments

Appendix 1: Conover Barn Photos- October 7, 2023

Appendix 2: HIA- Britannia Farm Property
