7.2 Vision Zero Progress Update, Laura Zeglen, Vision Zero Program Lead

Ms. Zeglen presented on the subject matter and provided background information. Members of the Road Safety Committee discussed the following matters:

- Vision Zero Art installation;
- Citywide reduction in speed to 30 km/hr;

- Data collection related to high risk, high collision sites;
- Collision reporting;
- Intersection safety funding as a surcharge for developers and Planning Act provisions;
- Turning radii and the Vision Zero lens; and
- Police data with respect to reported collisions

In response to the discussion on Peel Regional Police collision data, Constable Claudia D'Amico, Peel Regional Police spoke to the process that determines the top 20 locations that are considered high risk and noted she would follow up regarding reporting to the committee. Constable D'Amico spoke to the process with respect to collision reporting and noted she would follow up regarding whether data is updated after the fact when reported to a centre versus at the scene of a collision.
