

Food Banks Mississauga

From a letter to food bank clients:

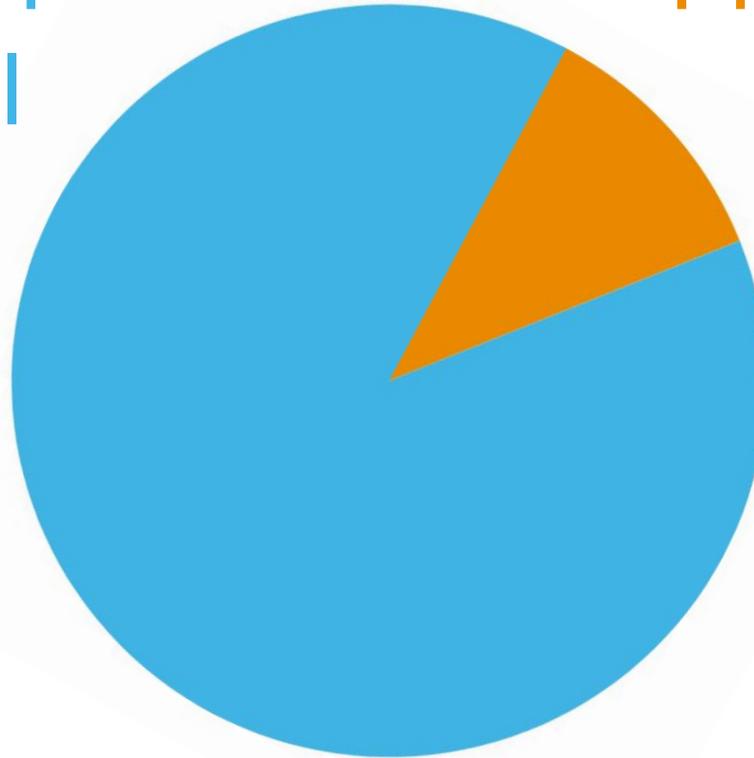

“

Due to the increasing cost of food and our growing number of clients, you will start seeing some adjustments being made to the quantities of some items you receive. We are trying really hard to reduce the impact to you as much as possible.

Projected 2023-24
Fundraising Total

Projected Shortfall
from Budget

Projected Community Need

Shortfalls in fundraising

**Stark increase in
food bank use**

**Lack of provincial or
federal funding for food
banks or those facing
food insecurity**

**Need to double the
Community Investment Funds
allocated to supporting
food security**

We must join together
as we work towards
food security
