Consolidated Recommendation

The City recommends that the Committee have regard for all comments and evidence provided by the Applicant and area residents when assessing if the application meets the requirements of Section 50(3) of the Planning Act.

Application Details

The applicant requests the Consent of the Committee to create an easement.

Recommended Conditions and/or Terms of consent

- Appendix A – Conditions of Provisional Consent

Background

Property Address: 7070 Mississauga Road

Mississauga Official Plan

Character Area: Meadowvale Business Park Corporate Centre
Designation: Business Employment

Zoning By-law 0225-2007

Zoning: E2-1- Employment

Other Applications: None

Site and Area Context

The subject property is located north-west of the Mississauga Road and Syntex Court intersection in the Meadowvale Business Park Corporate Centre Character Area. The developed site consists of one office building and associated parking lots. Vegetative and landscaping elements are present throughout the property. The surrounding area context is exclusively office buildings with varying lot sizes and built form.

The applicant is proposing mutual access easements on the property to allow for vehicular traffic and a common parking area on the sites.

Comments

Planning

Planning Act

Section 51 (24) of the *Planning Act* sets out the criteria for land division in the Province of Ontario. In evaluating such requests, the Committee needs to be satisfied that the proposal meets not only the criteria set out under Section 51(24), but also municipal requirements identify in local legislation.

Provincial Matters

The Provincial Policy Statement 2020 (PPS 2020) and Growth Plan for the Greater Golden Horseshoe promote efficient development and land use, directing the focus towards intensification and redevelopment. The proposal is consistent with the general directive in provincial policy.

Staff comments concerning the applications for consent request are as follows:

The applicant is proposing a new easement to accommodate vehicular access and common parking areas across the subject properties. Through a detailed review, staff are of the opinion that the application is appropriate to be handled through the consent process. Further, the application raises no concerns of a planning nature.

Appendices

Appendix 1 – Transportation and Works Comments

The Transportation and Works Department has no objections to the applicant's request where the intent is to create reciprocal easements between the subject properties.

The applicant has provided a Site Plan (Schedule B-1) which depicts 3 parcels identified as Parcel A, B and C. Parcel A is owned by The Canada Life Assurance Company (7070 Mississauga Road). Canada Life Assurance Company (2050 & 2100 Derry Road) owns parcel B. Parcel C is owned by Canada Life Assurance Company (7025 Langer Drive). A Schedule B-2 along with a Master Site Plan has also been submitted depicting the key access roads and highlights the common parking areas.

A solicitor letter prepared by Daoust Vukovich LLP Barristers & Solicitors dated December 27, 2023 has been provided to describe the intent of the request. The solicitor letter indicates that the applications are necessary to obtain consent approval for various easements. The required easements have been described in the submitted Notice of Mutual Easement Agreement, which was registered on May 1, 2023 as Instrument No. PR4195324 (the "Easements").

The Mutual Easement Agreement is between Toronto West Professional Centre Inc (the "Parcel A Owner") and The Canada Life Assurance Company (the "Parcel B & C Owner"). The mentioned Mutual Easement Agreement also includes a "Schedule A" which gives a legal description of the parcels, "Schedule B-1" depicting the Site Plan with the various parcels A, B & C and "Schedule B-2" which includes the Master Site Plan identifying the shared key access roads and common parking areas.

In view of the above, and should Committee see merit in the subject applications we have no objections or conditions with respect to the applicant's request.
