Dear Acting Mayor Horneck:

I am pleased to announce the launch of the 2023-24 Gas Tax Program and to advise you of your increased funding allocation.

Our government is committed to working with municipalities to improve Ontario's transportation network and support economic growth. Investing in transit will reduce traffic, create jobs and help businesses grow the economy for everyone.

That is why I'm happy to let you know the City of Mississauga will be eligible to receive **\$23,363,091** for this program year, to improve your transportation network even more.

In the coming days we will be distributing, through the Transfer Payment Ontario Network (TPON) system, the electronic versions of your Letter of Agreement, along with program guidelines, reporting forms and the Canadian Content for Transit Vehicle Procurement policy. The primary staff contact at the City of Mississauga will be notified when these documents are available and next steps, including details on when we can communicate this good news publicly together.

If you have any questions regarding the Gas Tax program, please contact Kevin Dowling, Director, Transit Strategy and Programs Branch, at kevin.dowling@ontario.ca.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Prabmeet Singh Sarkaria', with a long horizontal flourish extending to the right.

Prabmeet Singh Sarkaria
Minister of Transportation
