Hi Allyson,

Here are some stats that I can give you for our next meeting;

2022 Road Watch - **2311** reports
2023 Road Watch – **3180** reports, and increase of 37%
December 2023 - **204** reports
January 2024 – **174** reports

I unfortunately do not have access to the dashboard that gives the breakdowns.
